CITY PARKS AND PLAYGROUND STRUCTURES NOW OPEN

The Governor's Office and Oregon Health Authority has released new guidance on outdoor recreation facilities, which allow for certain facilities to reopen to the public.

In addition to the reopening of the skatepark, and the restarting the park reservation program, the **City of Lebanon has now opened the playground structures in all city parks.**

Sports courts utilized for contact sports will continue to **remain closed** per the State's guidance.

In compliance with the State, signage will be posted at all parks identifying the symptoms of COVID-19, requesting individuals to return home if they are experiencing the identified symptoms, and a contact number for people in need of assistance.

As additional guidance is provided, we will continue to update the City's website and Facebook page.
