

We're committed to taking care of our friends and neighbors by building healthy communities. Bringing resources to our local small businesses is just one way we're working to keep our communities thriving destinations where people convene to work and play. We wanted to make you aware of a grant specifically designed to help our local small businesses.

The State of Oregon COVID-19 Emergency Business Grant Program is open for final round funding.

Grants up to \$50,000 are available for businesses with up to 25 employees who have been negatively impacted by COVID-19.

Businesses who have received less than \$100,000 in PPP and EIDL awards and/or you received funds from a previous round of the State of Oregon COVID-19 Emergency Business Grant Program are eligible to apply.

If you have previously received funds through the State of Oregon COVID-19 Emergency Business Grant Program please [click here](#) to fill out a supplemental application.

Businesses that have not previously received funding through the State of Oregon COVID-19 Emergency Business Grant program should complete this application by [clicking here](#).
