A MESSAGE TO THE CLASS OF 1958

I am proud to have the honor of writing a short message in this, our first yearbook to be issued from our new and beautiful high school. This has been a wonderful year in many ways—we have a school building that is second to none in the State; we have had the space to carry out a richer program both in academics and activities; we initiated the American Field Service Program and had the privilege of working with Gianni; we had many students bringing honor to our school and community through their outstanding achievements in scholarship and activities.

May I close by wishing the Seniors good luck and "happy voyage" in the future years. It has been our good fortune to know you and we hope you will visit us often. To the students who will be with us again next year, I hope you will find real enjoyment and success in your remaining high school years and may you continue to maintain the high standards that have been established in the home of the Lebanon Warriors.

Your Principal

Lawrence F. Pyle

Student Council

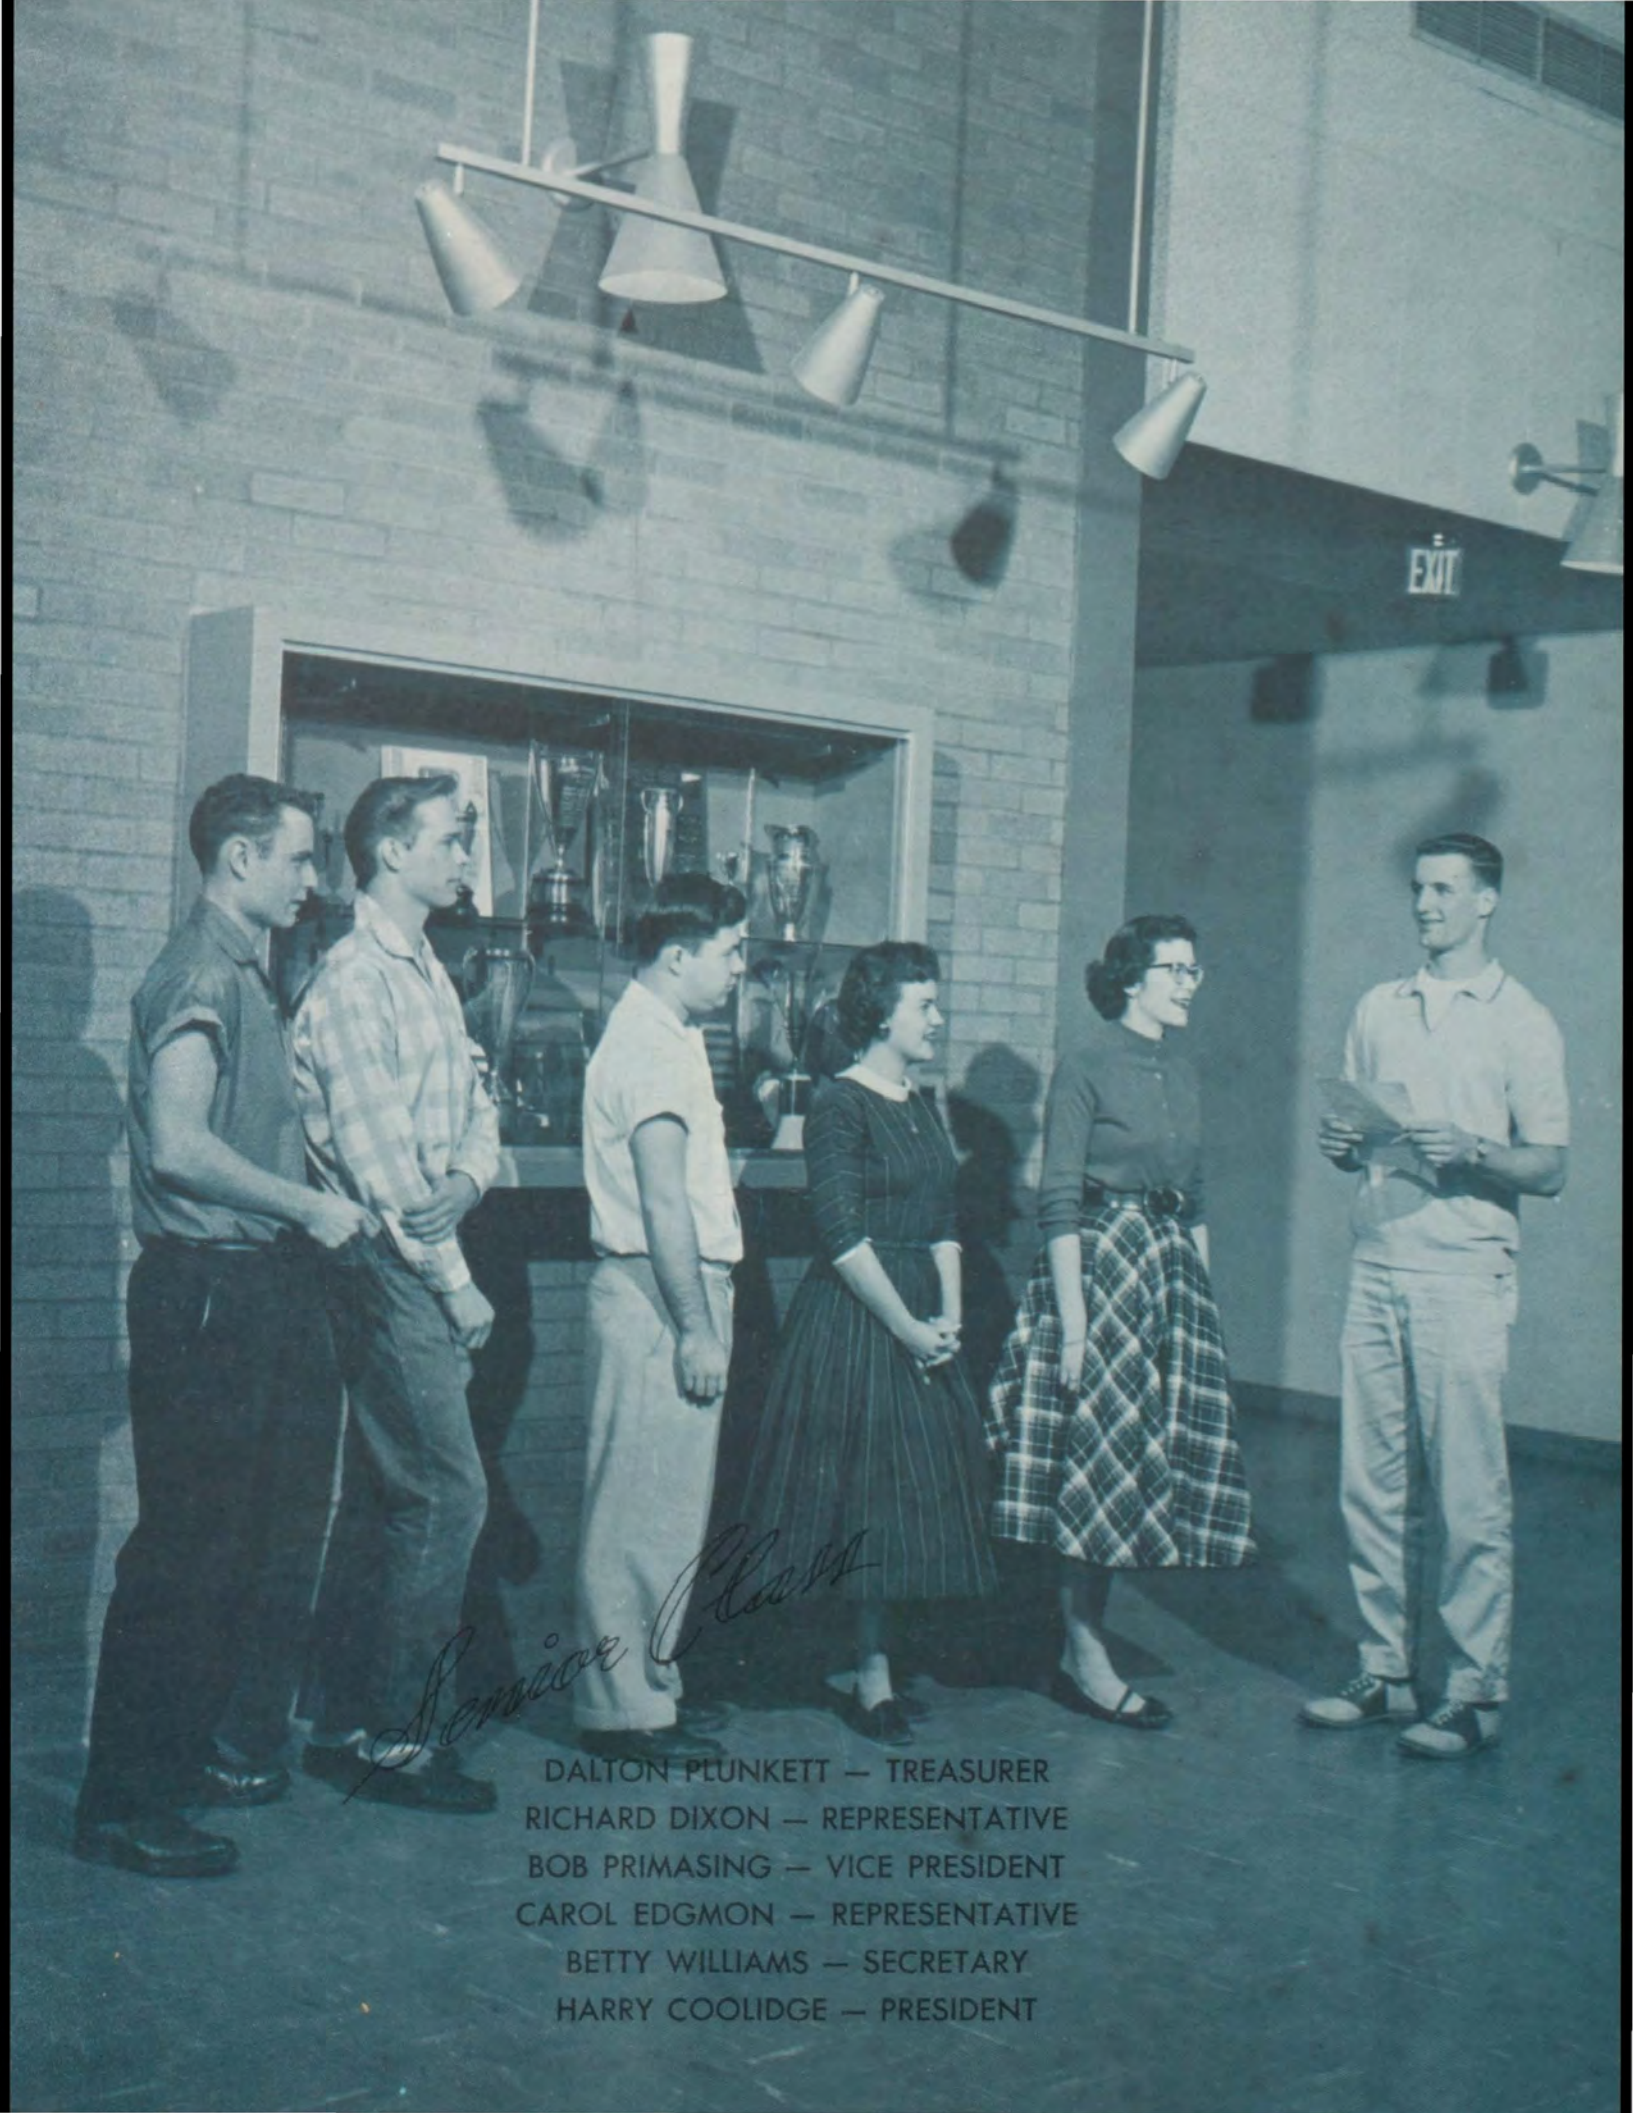

I am sure all the students will agree that this year has been a busy, but successful one. Many activities and duties carried on by the Student Council has kept everyone working. There have been committees working to promote activities such as a school flag, a clock in the main hall, and a time-clock for the gym.

The greatest attribute to the Student Body General Fund and clubs has been through the concession stand and Student Cooperative Store. The popcorn machine purchased by the student body has proved to be favored by everyone at games and during the lunch hour.

One of the main projects of the executive committee this year has been the re-writing of a new constitution to replace the old one. Lots of hard work has been spent on the organizing of this and we are glad the Student Body voted it through.

Dedication of the new school was held January 26, and termed a big success. Student Council members were asked to help assist in directing visitors to their desired designation and to hand out programs. The students, administration, and towns folk should all be congratulated on their help and attendance.

We, as your Student Body Officers, have worked very hard to represent the school in the way you would like us to, and to complete all of our duties to the best of our ability.

Junior Class History

The Juniors have had a very enjoyable and successful year under the fine guidance of the advisors, Miss Piluso, Mrs. Dane, Mr. Parham, Mr. Wood, Mrs. Janke, Mr. Brock, and Miss Rayborn.

The class chose for the officers: Dan Morgan, President; Larry O'Dell, Vice President; Doris Workman, Secretary; Jean Yoder, Treasurer; and Judy Peters and Dixie Allison, Representatives.

One of the first projects for the year was a cider squeeze, which met with great success.

The Sweetheart Ball prince and princess chosen by the class were Jim Falk and Lavonne Kindopp. Lavonne was selected as the queen of the ball.

A vigorous attempt to win the assembly trophy for the second year was made when the class presented its assembly centered around Rip Van O'Malley. The various talents of the class were shown in an Irish setting.

The general chairmen for the prom, "Some Enchanted Evening," were Judy Girod and Anne Morse. The princesses were Dixie Allison, Judy Girod, Donna Kietzke, Lavonne Kindopp, Sherry Pearson, and Barbara Starr, with Joanne Hanson, Queen.

Many honors were brought to the Junior class through sports. A large number of the boys lettered in various sports. Sharon Lockwood and Kay Parker as "A" squad yell leaders and Shirley Chisholm, Judy McCrary, Judy Peters, Judy Reynolds, Nina Schmele, Jan Scott, and Barbara Starr as members of the Rally Squad kept school spirit high throughout the year.

This summer Anne Morse is going abroad as a representative of this school through the American Field Service program. Anne is the first student from Lebanon to receive such an honor.

The Junior class has marked another successful year and is expecting an even greater one in its last year.

Sophomore Class History

The class of 1960 has had a very successful year. The officers were as follows: Rick Summers, President; Gary Jordan, Vice President; Joyce Collins, Secretary-Treasurer; Jim Lamphere and Ron Yechout, Sergeants-at-arms; and Mike Armstrong, Representative.

Early in the year, many sophomore girls were seen walking around in strange looking costumes for Pep Club initiation day. Our sports were well represented by our sophomore boys.

We started the year by having an enjoyable calypso party in the cafeteria on November 6th.

A number of classmates had the honor of being selected as prospective Honor Society members. They are now on probation and are doing well.

The class chose Rick Summers and Nancy Tewalt as prince and princess for the Sweetheart Ball sponsored by the Girls' League on February 15th.

Our class assembly titled "Invasion on Planet Xerxes" was presented on February 28th. Elaine Wilcox and Nancy Tewalt were the directors.

We are looking forward to a very exciting future and are very sorry to leave our sophomore year behind.

American Field Service

The scholarship program of the A.F.S. was formed in 1947 with the express purpose of furthering international relations by bringing students from foreign countries to study for one year in U.S. high schools. It is the purpose of the program to give the foreign student a well rounded knowledge of the many facets of our life here and it is our hope that he will take back his knowledge with him to help increase understanding of the U.S. in his own country. A fixed amount of \$650 is contributed to the A.F.S. to provide transportation and all but some small incidental expenses in bringing a student to the U.S.

A local A.F.S. committee was formed in March, 1957, and through the generosity of the Crown Zellerbach Corporation, Lebanon is fortunate to have as a resident student this school year, Gianni Casetta from Legnano, Milan, Italy. Gianni is living with Kent Wells and his family.

As a further extension of the A.F.S. work, it is also possible for any school having a foreign exchange student to send one of their own students abroad the following summer. American teenagers, 16 to 17 years of age, live abroad and thus get a chance to become acquainted with the life and people and education of another country. The Lebanon A.F.S. committee selected four girls as their candidates for the Americans Abroad Scholarship; Judy Girod, Lois Goodrick, Anne Morse, and Barbara Starr. Their applications were sent to A.F.S. in New York for final selection. Anne Morse was selected to go to Munich, Germany.

Walk together, talk together, O ye peoples of the earth: Then and only then shall ye have peace.

By having Gianni in Lebanon and Anne in Munich, we hope a big step has been taken toward achieving this slogan of the A.F.S.

A.F.S. STUDENT FROM ITALY

Carissimi amici, non è certamente facile dire addio a persone che hai incominciato ad amare; e questa è la situazione in cui mi trovo ora. Non voglio usare espressioni che suonerebbero piuttosto stupide e parecchio usate, ma voi potete andare sicuri di una cosa: i fatti miei che ho perso qui saranno per sempre nella mia mente come il più bel momento della mia vita, con ciò ci sarà un legame più forte di amicizia tra voi Americani e noi Italiani per l'adempimento di tutte le speranze del genere umano: una vera e duratura pace.
Di nuovo con tutto il cuore

Gianni

Dear friends,

It is certainly not easy to say farewell to people that you have begun to love; and this is the situation in which I now find myself. I do not want to use a cliché which will sound trite to you and my ears, but you can be sure of one thing: the few months I have spent here will be forever in my mind as the most beautiful moment of my life. Because of this, there will be a stronger bond of friendship between you Americans and us Italians for the accomplishment of the goal of humankind: a true and everlasting peace. Again with all my heart —

Band is the instrumental division of Lebanon Union High School's music department. A possible four-year elective course, band provides for students, opportunity to develop talent, self-expression, and music appreciation through direct participation.

This year's versatile group has performed first as a marching band (parades, half-time shows), then as a concert band (fall concerts, benefit concert, exchange concert, spring concert), and finally as a contest band of select instrumentation.

Some students have formed smaller 'outside' groups (swing band, pep band), and have found pleasure in organizing ensembles or preparing solos.

At the state music contests, ratings were high, rewarding hard work and hours of practice.

The band owes the eventfulness and success of this year to the guidance of a patient, capable, and amiable director, Mr. Del Chinburg.

Band officers for the school year 1957-1958 were: President, Ed Merzenich; Vice President, Glenn Messal; Secretary-Treasurer, Bonnie Johnson.

Back Row: E. Merzenich, Lynch, Miles, Karpinski, Bialock, Furber, Clark, Weldon, Paseman, Taylor.

The Choir's first performance was at the joint fall concert with the band. The choir sang "A Mighty Fortress" and "Autumn Leaves."

At the Christmas Concert the music was "Night Journey of the Wise Men," "To a Virgin Meek and Mild," "A Babe is Born in Bethlehem," "The Holly and the Ivy," and "We Wish You a Merry Christmas."

The high point of the year was the Western Oregon District Choir Contest, held this year in Eugene, Oregon. The choir came away from the contest with a superior rating. At the solo contest Launa Drummond and Loretta Keen received 1's.

The choir has provided music for several occasions including the dedication ceremony for the High School, the Christmas and Thanksgiving, and Easter assemblies, Strawberry Festival Queen Coronation and Baccalaureate.

With our choir director, Mr. Smith, leaving us, we want to say how much we have enjoyed having him as our director. Although times have sometimes been trying, we hope his memory of us will be a special one. Best of luck, Mr. Smith!

For the first time in recent years the Lebanon High School Orchestra has had a complete string ensemble. The piano accompanist is Betty Jo McPherson.

The high point for the year was the Christmas Concert. Several adults were invited from the community to play with the group for this concert. They also played for the Kiwanis Club at their installation meeting.

The orchestra played with several other high school orchestras at Corvallis later this year and finished the year by playing for the Baccalaureate.

With the help of the director, Delbert R. Chinburg, and the cooperation of the students the orchestra had a very fine year.

The Biology Club began the year with a membership campaign which resulted in a total of over 40 members for the club.

Due to the purpose and interest of the club most activities take place in the spring. These activities include Saturday field trips, and a trip to the coast, along with the biology classes to observe marine life at low tide.

A few night meetings are held each year, to enable the members to decide important, long range decisions, but most of the meetings are held the second and fourth Wednesdays, at 12:30 in the Biology room.

The wall aquarium was one of the major club activities this year. The club paid for all the fish and plants to stock the aquarium, and maintained it.

The week before the County Science Fair, the Biology Club, together with the Science Club, sponsored a "Parent Night." At this time the parents see the projects of the various club members and at the same time meet parents of other young people interested in the physical and biological sciences.

Anyone who is interested in plants and animals is welcome as a prospective member of the Biology Club.

Boys' League for the year of 1957-58 was led by President, Gary Yates; Vice President, Jim Falk; Secretary, Jon Pattinson; and Treasurer, Mike Armstrong. Their advisors were Mr. Way and Mrs. Bennett.

The first meeting of the school year was concerned with arranging the seating in our new gymnasium, introducing officers and advisors, and discussing activities for the coming year.

An amusing style show was featured at the second meeting with some of the boys displaying some unusual talent in ladies dress apparel. A modified strip tease by comedian John Craig and a can-can dance highlighted this event.

For our third meeting we were privileged to have a foreign exchange student from France talk to us. He proved to be a very interesting speaker. Many interesting facts were revealed as to the relationship between the two countries.

Later in the year a tradition was carried on as usual. This was the annual basketball game between the faculty and the seniors.

Each quarter was shortened by about three minutes and the faculty was given more than enough time outs so they could rest. This rest must not have helped much, for the seniors won by a very comfortable margin.

The fifth meeting of the year was concerned with nomination of officers for the coming year.

Installation of officers was held during the last meeting of the year after which the

A constitution was drawn up and approved by the members and advisors.

This spring, the club went to Albany and played a tournament with a group of business men from the Albany area.

As the other schools nearby didn't have any chess clubs, the club members played during noon hours under a competitive point system.

The club played Dallas in May and won the meet 10 to 2.

HARRY COOLIDGE
 President

The Fire Squad is an organization that is in charge of maintaining the fire fighting equipment of the school. The duties of the members during a fire drill are to close all windows, turn off the lights, and direct traffic to the proper exits. In case of fire the members in the vicinity of the fire will use the equipment at hand to extinguish the fire or hold in check until the city fire department can arrive.

The Fire Squad is composed of junior and senior boys who are interested in fire prevention and whose academic standing is above average. Membership is limited as only 13 members are needed to man the stations in the school. Late in the spring sophomore boys who are interested in the organization may secure a petition from one of the officers or the advisor of the organization. After processing the petitions for academic qualifications the qualifying petitions are submitted to the organization for ballot-

ing. The candidates receiving the most votes are elected to fill the vacancies in the club. Present officers are: Harry Coolidge, Fire Chief; Gary Yates, Assistant Chief; and Jon Pattinson, Secretary-Treasurer.

The major project this year was landscaping the front lawn of the school. The proceeds from selling football programs combined with other funds made this project possible. Other activities included participation in the school Co-op and sponsoring an all school dance. Highlighting the year's activities was the overnight trip to the coast. The club uses its funds to rent cabins, pay for food, and to charter a deep sea fishing boat. The new members are officially initiated into the Fire Squad on this coastal trip.

The advisor to this coveted organization is Mr. Parham.

A Christmas party was held by the club in the cafeteria. This was very informal with instructions to "come as you are" and everyone had a wonderful time.

On Valentine's Day, the club added to their treasury by sponsoring a telegraph service in the halls of the school. The students enjoyed the amusing event and it was quite profitable, so it is certain to be on the agenda for next year.

The club, in conjunction with the Tri-Y Club, sponsored a dance following one of the basketball games. Also sponsored by the club was the "Gold-digger's Dance." This dance was also an event of last year and is so popular that it has become an annual affair.

The club members gained much from the practical business experience they received this year by working without pay for the various business estab-

The F.N.C. has been under the capable guidance of their advisor, Mrs. Emma Snelling, the school nurse.

The purpose of the Future Nurses Club is to acquaint the members with the field of nursing by going on field trips and participating in voluntary hospital work.

This year the club has taken field trips to Marquam Hill in Portland, on which the University of Oregon Medical School, Doernbecher Hospital, the Multnomah Hospital and others are located. They also visited other schools of nursing.

The girls doing voluntary work for the Lebanon Community Hospital are on duty for two hours a week answering call lights, sterilizing rooms, feed-

ing patients, and doing various other duties. Besides working on the floor, the girls helped at the gift shop at the hospital, with the blood mobile and immunization clinics.

At Christmas time the girls drew names from a nursing home in town and took each guest a present and refreshments. This was enjoyed by both the girls and especially the people in the nursing home.

Other social events were a Tea for the Mothers at which Linda Durst, Evon Hull, Joann Kofoid, Linda McKinney, and Gloria Wollam received service pins for working at the hospital for 75 hours, and a family pot-luck supper at which there was a guest speaker from the University of Oregon Medical School.

"A teacher affects eternity. He can never tell where his influence stops."—Henry Adams

The Future Teachers of America under the supervision of Mrs. Wilshire and Miss MacLean have had a very busy year. The membership for 1957-1958 has been the largest in the history of the club. The officers were Launa Drummond, President; Ron Hetzendorf, Vice President; Jean Foster and Barbara Durst, Secretaries; Doris Workman, Treasurer; and Duane McKinney, Historian.

In addition to the visitation at the grade schools, they were privileged to have the opportunity of visiting the Junior High School. The Junior High School visitations were limited to Juniors and Seniors only.

The club has had a variety of evening meetings this year. In November, Gianni Cosetta, foreign exchange student from Italy, was the guest speaker. On December 9, 1957, a semi-formal initiation ceremony was held in the new library. Speakers for this event were Mr. William Thomas and Mr. George Henderson, for whom the Lebanon chapter was nam-

ed. She spoke on education when she was a teacher in Kansas. A chili feed was held in February at Launa Drummond's home.

Some of the money making projects for this year were candy sales, donut sales, "nickle a pickle" sale, noon movies, working at basketball dance, and serving coffee, tea, and rolls at the faculty meetings. All the projects proved quite successful.

This year Miss MacLean represented Lebanon at the State Convention which was held in Medford. The club was very proud of Dixie Allison, secretary-treasurer of Region Four. Doris Workman was elected the coming President of Region Four.

At the last evening meeting officers for the term of 1958-1959 were elected. The F.T.A. pins were given to all members who had participated in the year's activities and earned the required number of points.

They, as Future Teachers, believe that the success of the club was based on the fine leadership of the advisors, Mrs. Wilshire and Miss MacLean. To them

The Girls' League, an organization to which all girls automatically belong, meets once each month. In September a Big-Little Sister Party was held in the cafeteria at which time a "style" show was held. Our first meeting was held in December in the newly finished gymnasium. Girls of the Month were named for the first four months and Christmas caroles were sung. At one meeting Suzanne Martorani, exchange student from Argentina, spoke to the girls about the differences between her country and ours. The Girl Staters also spoke at one meeting. At other meetings awards were given to the magazine drive winners and campaign speeches were heard for next year's officers.

Other activities sponsored by the Girls' League this year were: Twirp Week and the Stubble Stomp, Magazine Drive, the Sweetheart's Ball, the Fairview Toy Drive, and the installation of officers.

Each month a girl from every class was chosen for some quality and named Girl of the Month. This year the Girls of the Year which are chosen from the Girls of the Month, were Senior, Barbara Durst; Junior, Lois Goodrick; Sophomore, Elaine Wilcox and Freshman, Jan Girod. Service awards were also given to a girl in each class, based upon the amount of service points turned in.

One big project worked on this year was the Girls' League Room. It was furnished with a two-piece davenport and tables and lamps.

This year a good deal of thanks should go to the hard-working advisors, Mrs. Nancy Baker and Mrs. Betty Adams. We are sorry to see Mrs. Adams leave us this year.

Purpose of publishing the **Hi-Light** is to inform the student body of the activities held throughout the school year. Publication is bi-weekly.

This year for the first time students who had taken journalism last year had the opportunity to take a second year class. There were seven such students.

Through journalism, students are given an opportunity to increase their knowledge in that field which includes the arts of soliciting, writing, copyreading, type-setting, and printing.

Some of the club's activities this year have included movies, lectures, a gym night, a dance, selling at games, and sponsoring dances.

Annual projects of the club are donating Christmas baskets of food to needy families and supplying the Christmas tree for the main hall of the school which is traditionally trimmed by Tri-Y.

Another current project of the club is building a hi-fi set which is to be a present to the school to be used for various club and school activities.

The club advisors are R. H. Hodson and Lyle Brown.

The year was opened with several activities including the annual cider squeeze. Some of the members attended Governor Holmes' reception at the capital on United Nations Day.

Christmas cards were made by the club and sent to members' parents and the high school teachers. The yuletide party was held at Barbara Britton's home. This year Lebanon I.R.L. represented Turkey in the Model United Nations at the University of Oregon. A pre-conference M.U.N. was held in Portland and a number of our members attended.

At the February Conference Anne Morse was elected as state Historian for the coming year. The Lebanon delegation was cited for outstanding work during the Conference.

The annual picnic was held at the president's home and members' parents were invited. At this last meeting of the year new officers were installed and pins were presented to deserving members. Officers for the coming year are: President, Dixie Allison; Vice President, Judy Girod; and Secretary-Treasurer, Sherry Pearson.

They adopted a constitution this year and to live up to their responsibility as a service club, they policed at all football, basketball, and wrestling contests. They also carried on the task of seating arrangements at all school assemblies. They voted to present numerals to all the J.V.s as an honor and an inspiration to them.

The lettermen are proud of the progress they have made and a banquet was given in May at which a red, wooden "L" was presented to each letterman.

SHERRY PEARSON
 President

The Library Club has had an active and successful year under the capable leadership of Mrs. Burns. The club is composed of past and present library assistants. These girls take a course in librarianship and work in the library one period each day. For this, each girl receives one credit. Each assistant must be recommended by two teachers and have a grade average of a 2 or better. By this method of selection it is obvious that it is an honor to be asked to be on the library staff.

The work of the library—typing catalog cards, care of periodicals, filing, preparing new books, taking care of the circulation desk, overdue books and fines—gives valuable experience.

The club's money-making project this year was selling at a football game and dance. For the past two years, the club has had money left in its treasury at the end of the school year. This year the organization will give the library a set of plastic letters for use on the bulletin boards and will contribute one hundred and thirty dollars towards draperies in the library.

The Library Club officers are: Sherry Pearson, President; Joann Hanson, Vice President; Becky Lanning, Secretary-Treasurer.

The Honor Society started the year in November with election of officers. Those chosen were: President, Doug Collinson; Vice President, John Eskeldson; Corresponding Secretary, Judy Girod; Recording Secretary, Bonnie Johnson; Treasurer, Richard Nixon. Miss Piluso and Mr. Hartman were the advisors.

The next event of the year was the tapping of new members; 20 sophomores, two juniors, and three seniors were presented with corsages and boutonnieres.

The annual candlelight initiation was held in the library and refreshments were served by the sophomore members. Mr. William Thomas gave an inspiring talk. Parents were invited to attend.

In May a Dessert was given in honor of the upper ten per cent of the graduating class, to which parents were also invited.

On April 12, Lebanon High Honor Society members were hosts to the members of Albany, Sweet Home, and Corvallis High Schools' Honor Society groups. A social hour, dinner, a speaker and a discussion period were featured on the program. It is to be made into an annual affair and held at a different school each year.

The Junior members ushered at baccalaureate and at commencement. The club has had a successful year, climaxed with a trip to Portland visiting various points of interest.

The Paletteers Club this year began its activities with a general meeting on October 15. The new officers for the year—President, Judy Morse; Vice President, Jim Anderson; Recording Secretary, Jenny Anderson; Corresponding Secretary, Anne Morse; Treasurer, Si Hevlin—were introduced and forthcoming activities were brought up under business. The functions of the club were reported, and from here business proceeded. Activities for the year have been an initiation party with a representation of art pieces shown through the Santa Land project during the Christmas season, various projects aided by the club, and the making of the first high school flag. Various project work nights were scheduled for individuals wanting to use time in developing skills of their own. Year-end activities were eagerly anticipated. Not only did the club begin with entirely new facilities this year, but for the first time in nearly eighteen years, there was a new advisor. Under the capable direction of Miss Gerry Zell, the club functioned in the very limited space available as the art building has not as yet been constructed. As a whole and under the circumstances, the club of 1957-1958 was successful.

PAT CULBERTSON
President

The club, under the leadership of Mr. Holmstedt, was organized October 30 and the name chosen by the members was — Sales Personnel of Tomorrow.

The officers were as follows: President, Pat Culbertson; Vice President, Peggy O'Neil; Treasurer, Marcella Jackson; Secretary, Donna Dunmyer; Reporter, Gene Braught; Parliamentarian, Dick Peterson; Representative, Rose Cruise.

The first project for the club was to organize a school store. This turned out to be very successful, and the money gained was used to buy the members, who had qualified, a pin. The qualifications were to have worked so many hours in the store, or give reports to make points. The members all worked very hard.

A little trophy was given to the person whom the members voted the best salesperson. Next year the Jaycees will sponsor a plaque for the most outstanding student of the year, so the members will really have something to work for.

The National Thespians Society under the new direction of Mr. Carl Snelling put on three successful plays. "Cradle of Glory," the fall play, was about the early life of Abraham Lincoln. "Me and My Shadow" was the next play. It was a comedy about a family man and a beautiful Hindu girl. The spring production, "Lilacs in the Rain," portrayed a typical family with four daughters all having love problems. It was also comedy.

We had a formal banquet in the spring where we gained quite a few new members and elected new officers. Awards were also given. We had two general meetings. One was held in the fall in the high school cafeteria where we had a hamburger feed and get-acquainted party to meet our new director, Mr. Snelling. The winter meeting was held at the home of Kay Welborn where the Thespians plebs were initiated.

The officers for this year were: President, John Eskeldson; Vice President, Woody Crocker; Secretary, Kay Welborn; Treasurer, Ron Hetzendorf; Scribe, Judy Bicknell; Editor, Mike Royer.

Tri-Y is a Christian Youth organization open for membership to all Junior and Senior girls.

At the first meeting, officers were elected for the year. They were as follows: President, Judy Holzfuss; Vice President, LaVonne Kindopp; Secretary, Joann Hanson; Treasurer, Evon Hull; and Chaplain, Anne Morse.

The writing of appreciation letters followed closely behind the election of officers. Each girl wrote a letter to someone in the community who had done outstanding service for Lebanon.

The December meeting being near Christmas was a ceremonial meeting. It was at this time that Miss Schiltz told the members present of the significance of the star, so many people use at Christmas time. Also around Christmas there was the decorating of the tree in the main hall. A CARE package, including

It seems right to start a New Year by cleaning the trophies. It gives a feeling of great satisfaction to see the hard earned trophies gleam again.

Spring activities included a joint meeting with Hi-Y, at which time the teenage code was discussed.

A Mother-Daughter Tea was given. It is at this time that the members can show their appreciation to their mothers.

May Day, which is one of the lovely traditions, is one of the busiest days of the year. On this day the Tri-Y girls are kept busy decorating for the Queen's Ball.

Senior Farewell comes at the close of the year. It is at this time that the Seniors are given the girls' best wishes, and in turn pin on the Junior girls' pin.

Tri-Y had a very successful year under the very fine guidance of Miss Schiltz, the advisor.

The Warriorettes' main purpose is to foster school spirit and to create a high standard of sportsmanship in the relations with other schools. Pep Club is the backbone of the cheering section, and its members attend all home basketball and football games.

The club didn't bring home the yell trophy this year, but did bring home something just as good. They brought home plenty of good old L.U.H.S. spirit.

The club money making projects this year were selling at football and basketball games and dances. Also the annual pep club convention was held here this year.

This year's officers were Donna Dunmyer, President; Judy Girod, Vice President; Sherry Pearson, Secretary; Norma Seiders, Treasurer.
