Lebanon Union High School Warriors
are all as one,
from the class of eighty-four
to the class of eighty-one.
Screams and yells from the stands
approve to that sort
of Warriors whose discovered Knowledge
is turned to effort.

Time began for the Warriors
Goals were set each day
Families supported them
Right along the way.

A new administration
Unified the school
Warrior goals became practice
Involvement was a rule.

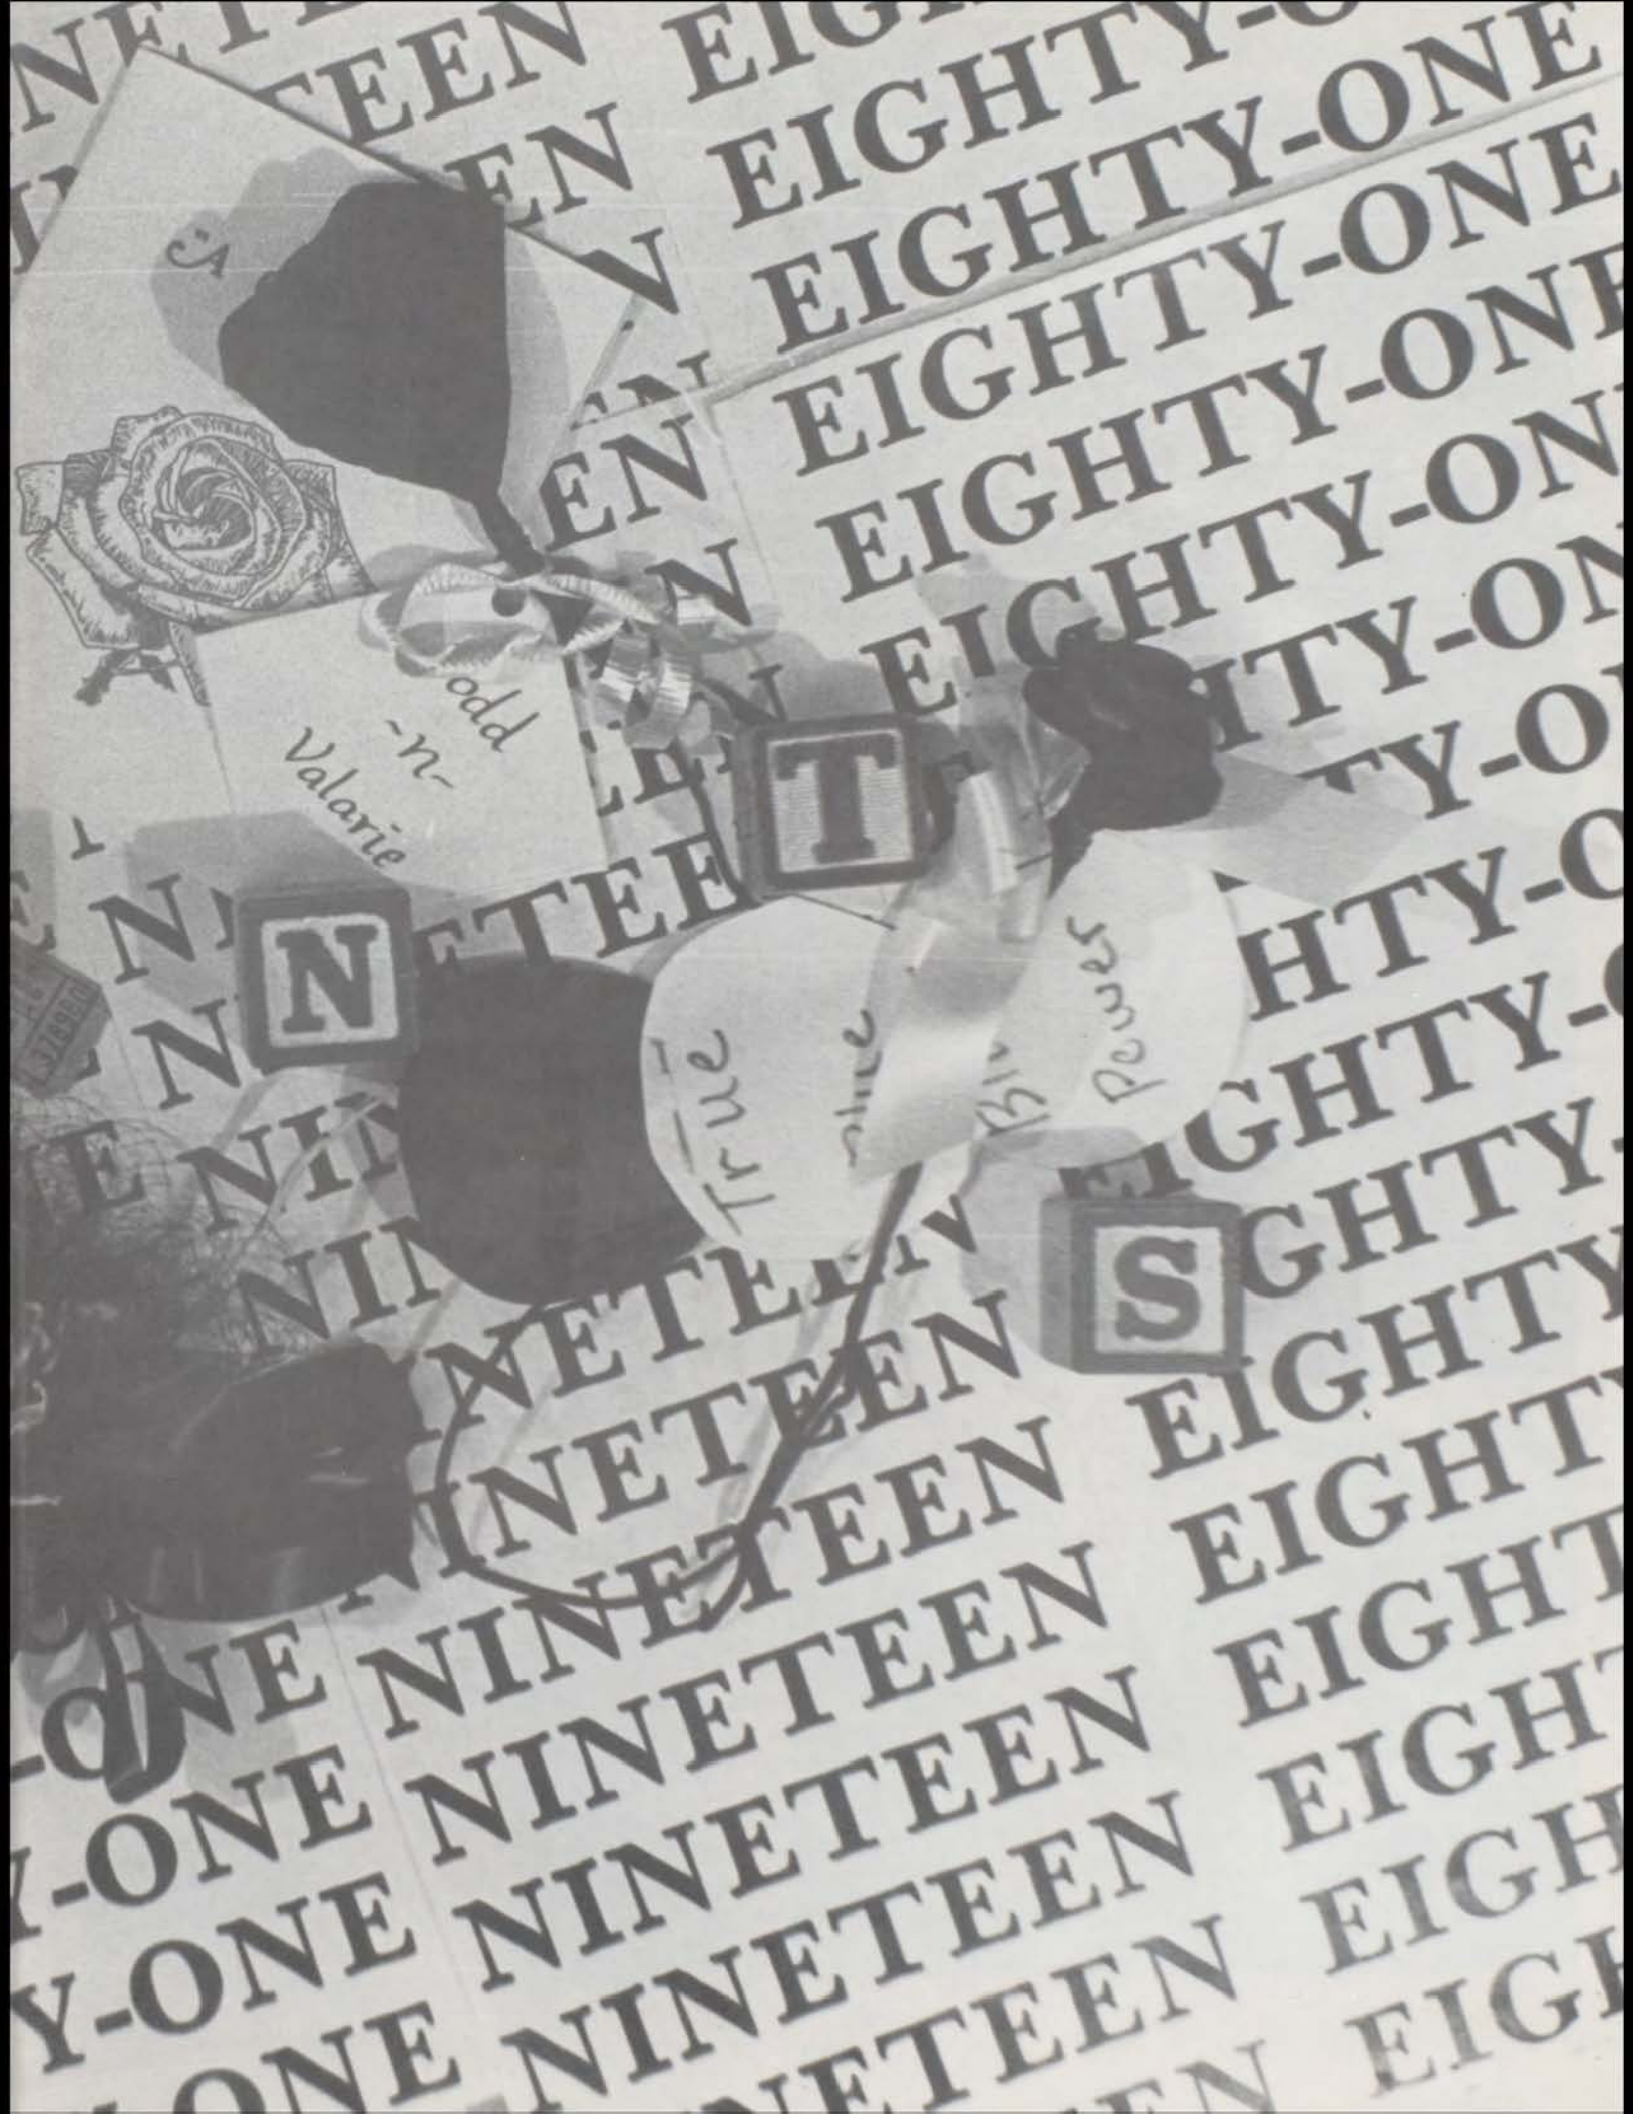

As they went through the school hours
They focused on time
Five minutes between classes
A break at lunch time.

Young Warriors given freedom
Chose what they should hear
Experienced fun moments
Remembered good years.

Registration

The doors burst open August 27 as the 356 Seniors rushed in to claim their final domain. Following close behind on the warpath were the 364 Juniors.

With looks of admiration, the 401 Sophomores realized that they too could handle it.

Lost in the mass confusion were the frightened 365 Freshmen reacting out for the last grasp of mother's hand.

Mr. Fuller resembled a freshmen; lost, frightened and still thoroughly excited.

With the weekend to rest up after registration, the 1,494 students and approximately 130 faculty fell into the same 'ole routine.

Homecoming

Something Old,
Something New,

Something Red,
Something Blue.

Something Old, Something New, Something Red, Something Blue was the theme chosen for this year's Homecoming. Each tribe followed this theme very closely while preparing their float for the traditional float competition.

The fans didn't have to do raindances for the rain poured abundantly. With umbrellas in hand the princesses and their "brave" escorts rode their floats by the anxious crowd.

The crowd roared as the Senior class was named victorious in the float competition. Riding on the winning float was Queen Missy Murhee and Princess Rae Rowell, and their escorts Alan Fore and Greg Atkinson. Princess Charolette Macklin and escort Lindsay Partridge represented the Junior class. Princess Nellie Santana and escort Steve Sloan rode on the Sophomore float. Princess Lori Headings and escort John Horner represented the Freshman class.

FALL PLAY

YOU'RE A GOOD MAN CHARLIE BROWN

The Lebanon High School musical production of "You're A Good Man Charlie Brown," by Charles M. Schultz opened November 19, and continued through November 22.

The role of good ole' Charlie Brown was portrayed by Scott Thomas and his blanket toting side-kick Linus is portrayed by junior Jay Rowell. Schultz's ever popular character Snoopy is done by senior Steve Calahan, with "tom-boy" Peppermint Patty double cast with Kelly Kilborn and Katherine Coleman.

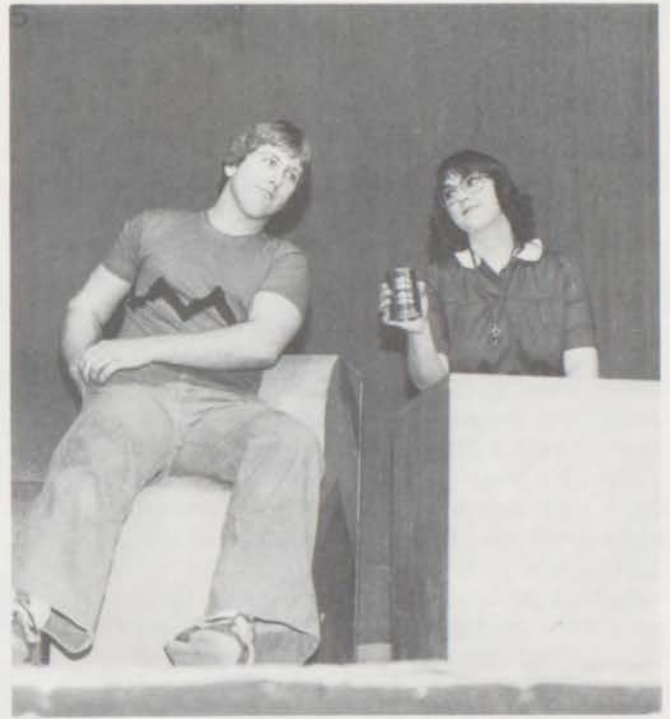

The budding musical genius Schroeder was double cast with Dale Schaffner and Rick Edmundson and his devoted flame Lucy was double cast with Rebecca Butler and Brenda Maurice.

The play is based on the cartoon comic strip "Peanuts" and consisted of songs about many of the popular cartoons such as Snoopy's renditions of "Suppertime" and "The Red Baron," Linus's "Me and My Blanket," and Charlie Brown's "Kite."

The play was considered a family musical, but some of the comedy was directed towards older members of the audience, thus making the play a great success.

1. Kathy Coleman paints on her face before the play.
2. Rebecca Butler ("Lucy"), Rick Edmundson ("Schroeder") and Scott Thomas ("Charlie Brown") discuss why they missed the ball.
3. Rebecca Butler ("Lucy") wonders what it would be like married to Rick Edmundson ("Schroeder").
4. Steve Calahan ("Snoopy") "The Red Barren" flies again.
5. Brenda Maurice ("Lucy") says "Ten cents please", Scott Thomas ("Charlie Brown") just wonders what the world is coming to.
6. Kelly Kilborn ("Peppermint Patty") tries to keep Steve Calahan ("Snoopy") from washing her face with kisses.
7. Jay Rowell ("Linus") discovers the joys of dancing with his blanket.
8. "The Gang" is enthused, as they watch Linus dance with his blanket.
9. Dale Schaffner ("Schroeder") congratulates Scott Thomas ("Charlie Brown") for being a good man.

Lebanon Junior Miss

"The Elections" and "The Olympics" were the themes of the 1980 Junior Miss Pageant that was held on October 11. Nine senior girls competed for the title. They were: Wink Zimick, Patty McGowan, Debbie Matz, Shellie Downs, Val Bergsma, Cheryl Johnson, Karen Jensen, Leslie Eiding and Peggy Kunze.

The girls were judged on five categories: Youth and Fitness, Scholastic Achievement, Judges Interview, Poise and Appearance and Creative and Performing Arts.

Each contestant modeled an outfit from Joella, Inc., presented a group physical fitness routine and presented individual talent routines.

After all had been said and done, Karen Jensen was crowned Junior Miss. Karen received a \$400 scholarship. Leslie Eiding as first runner-up was awarded a \$200 scholarship and Debbie Matz received a \$100 scholarship as second runner-up.

Poise and personality seemed to be the key to success. From Lebanon, Karen went to the state pageant at Klamath Falls. She also made various appearances around Lebanon.

Student Life

At 8:15, over 1,400 students clear the halls and rush to their first period class. Six hours later, these same students rush to various jobs, athletic practices and homes. These persons make up the student body of LUHS.

But what happens during the non-class times? Before, after, in-between classes? Students become members of voracious teams representing clubs, homerooms, and unidentified gangs. Each of them establish life-long ties, continuing student life after graduation.

REMEMBER FRIENDS!!

1. "You don't really expect me to believe that, do you?" asks Diane Rasmussen.

2. During Mr. Reynolds' third period ALA IIII class, Janine Braught asks Lezlie Ransford if she saw that cute guy who just walked in the room.

Winter Formal: "A Christmas Rose"

"A Christmas Rose" was the theme of the 1980 Winter Formal. Held on December 6, a total of 167 couples traded in their buckskins and tomahawks for formals and red roses.

The couples danced the Saturday night away to the music of A.W.O.L.

Admirable, Individually-Dedicated Students!

Teachers contend with students throughout the day. They must teach, counsel, discipline, listen and work with these young adults. So must those working in the service offices in the building - janitors, administration, secretaries, cooks. It is a rewarding occupation, and one of the most rewarding is working with students who help the teacher and staff out.

One group of students are especially regarded by staff members as inspirational. These are the aids - the people who make sure you get that note to remember your doctor's appointment, or pick up attendance cards, or help other students and teachers learn. They help the school keep running. So lets start another event - Admirable, individually-dedicated student. Thanks for the super job you do!

Pep Assemblies

Lets Go Lebanon, Lebanon High

Freshman! Sophomores!! Juniors!!! Seniors!!!! These chants and others could be heard echoing throughout the gym during the pep assemblies.

Pep assemblies brought new tradition to LUHS this year. Instead of having the freshman secluded in the balcony they were brought down on the floor so that they too would feel like members of the "family". Somethings, however, did remain traditional. At 2:20 the Seniors were dismissed followed by the other classes.

The pep band was always present to set the tempo for the pep assemblies. The music playing, the cheerleaders cheering and the classes chanting were all part of the typical pep assembly. But what would a pep assembly be without class competition? Competitions ranged from shouting to eating contests.

The pep assemblies usually ended with everybody connected at the arm and singing the Alma Mater.

1. Collins Gilbertson and Mark Heisler wonder where the rest of the senior class is.
2. Rick Sweet leads varsity football players in their own unique cheer.
3. Mr. Fuller shows his school spirit.
4. Patty McGowan drums up enthusiasm.
5. "We like to jump real high." states the varsity rally.

Activities Week

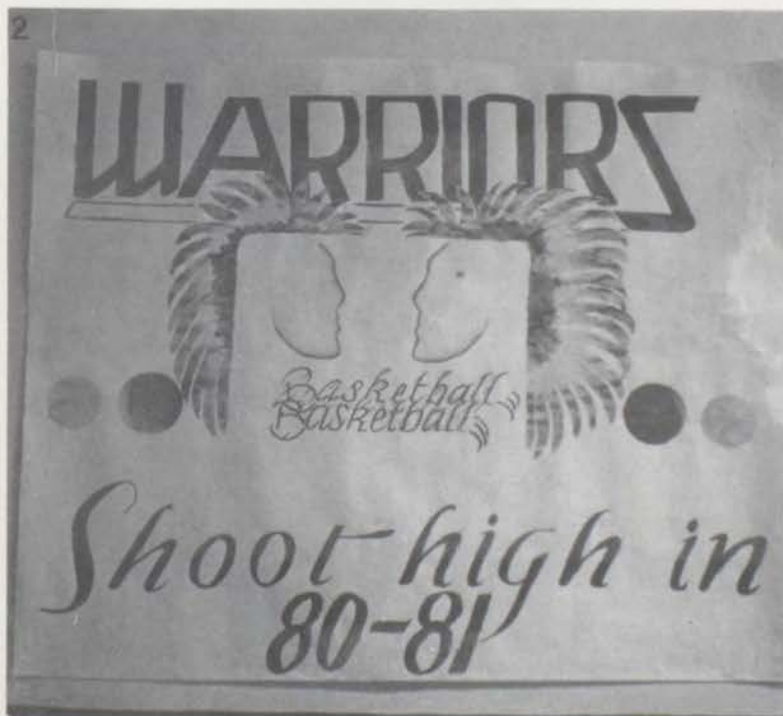

If somebody had wandered into LUHS during Activities Week they would have thought the LUHS student body all wore t-shirts, dressed very classy, were a bunch of cowboys, liked the color red or wore very funky hats. But this would have all depended on which day they selected to meander through LUHS.

Activities Week was announced by the OSAA as a state wide Activities Week. This was a first time affair. It was done mainly to try to get students involved in school affairs.

Throughout the week, spirit was shown in various ways. There were dress up days and volleyball games between the Senate and House and I.A.C. The high point of the week was when Del's Dirty Dozen beat the miraculous John's Japes.

1. Members of the House of Representatives challenged the Senate to a dueling game of volleyball.
2. Lori Bond wonders why she wasn't chosen to be on the baseball team.
3. Mr. Plunkett desperately tries hard to be a real jock.
4. "I've got it!" exclaims Scott Dufault.
5. Todd Tjepkema tries to be Joe Cool.

Spirit Week

“We’ve Got Spirit Yes We Do!”

“We’ve got spirit, yes we do!” There was no mistaking this fact during Spirit Week. Spirit Week got off to a great start this year with everybody showing their spirit by wearing t-shirts. Each day students demonstrated their spirit by following the dress code set for each day.

Monday was designated t-shirt day, Tuesday as blue day, Wednesday as funky sock day, Thursday as funky hat day and Friday as class color day.

The princesses did not compete against each other in competitions this year. The winner was determined by overall spirit and the class that had the most sign-up for the rally bus to the West Albany game. The Seniors came out victorious as they dominated Spirit Week.

The highlight of the week came at the end when Senior Lori Kliever was crowned Royalty Court Queen.

1. The Spirit Week calendar of events.
2. Enthusiasm is kept high with spirit week posters like this one.
3. Hugo Gonzolas has the spirit it takes to be a warrior, Costas Chatzikatsoupis and Stephanie Kitchen stare in amazement.
4. Warriors warn how tough they really can be.

Basketball Homecoming

1. Presenting the Royalty Court of 1981.
2. "I'm so embarrassed" says Traci Morgan as she clings to the arm of her escort, Vance Hedlund.
3. Queen Lori Kliewer strolls royally across the gym with her escort Ron Spires.
4. Princess Sandy Wilson and escort Dave Bauer.
5. Howard Downer crowns Lori Kliewer as Royalty Court Queen.

Royalty Court

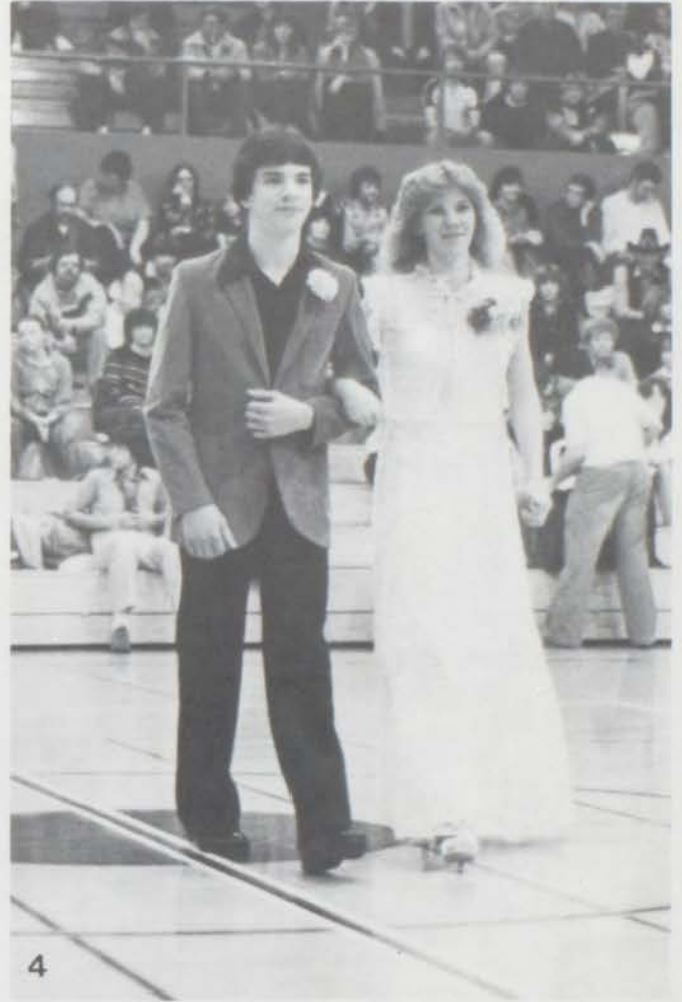

Loud applause and exuberant cheers welcomed Queen Lori Kliewer, escort Ron Spires and the 1981 Royalty Court into the "Pit" at basketball halftime January 30.

The court: Cathy Phillips, escort Jon Holt; Sandy Wilson, escort Dave Bauer; Rose Thiesen, escort Cory Carroll; Lori Kliewer, escort Ron Spires; Janine Braught, escort Steve Hildebrandt; Dixie Shanks, escort Steve Atkinson; Traci Morgan, escort Vance Hedlund; Marilyn Macklin and escort Gerry Garrett was selected by the students in each class. The Senior Class dominated the festivities by winning the spirit competition and sponsoring the Queen.

The Royalty Court (Winter Homecoming) began two years ago after the Student Government voted it in.

Community Congress

A Public Town Hall meeting was held February 28 by the residents of Lebanon to determine what the future should be for the community.

Everyone was encouraged to join in the meetings, although only 86 of the expected 300 persons turned out.

It began at 9 a.m. After a brief explanation, those in attendance broke into smaller groups to discuss specific areas of interest - Education, Trade and Industry, Land Use Planning and Community Services. The survey results were discussed and resolutions were made to be voted on during the general meeting.

At 11:15, the panel chairman presented the resolutions from the morning discussions. The audience was given a chance to speak on the resolutions and a vote was taken.

The outcome was that Lebanon-Area residents wanted continuing growth of industry, and the establishment of an industrial park where new industries could locate. Suggestions included side walks be built in some parts of town, Highway 20 to be rerouted off main street, and school buildings be available for public use every day of the year.

1. Buz Collins is the general chairman of Town Hall.
2. Dr. Steve Wisely listens during the morning meeting.
3. A visiting superintendant speaks on educational programs.

“The Sign Of The Times”

An Opinion

The bond issue for the remodeling of the school and the purchasing of forty-four acres for the future high school failed.

This remodeling would have started June 1981 and would have been completed by September 1982. The future school was to be built in about ten years.

The 6.9 million dollars it would now cost the people will raise to 7.7 million dollars in one year. In five years it would raise to about 11.1 million dollars.

The Coordinating Committee talked to several department heads, teachers, cooks, custodians, and architects when deciding how to remodel.

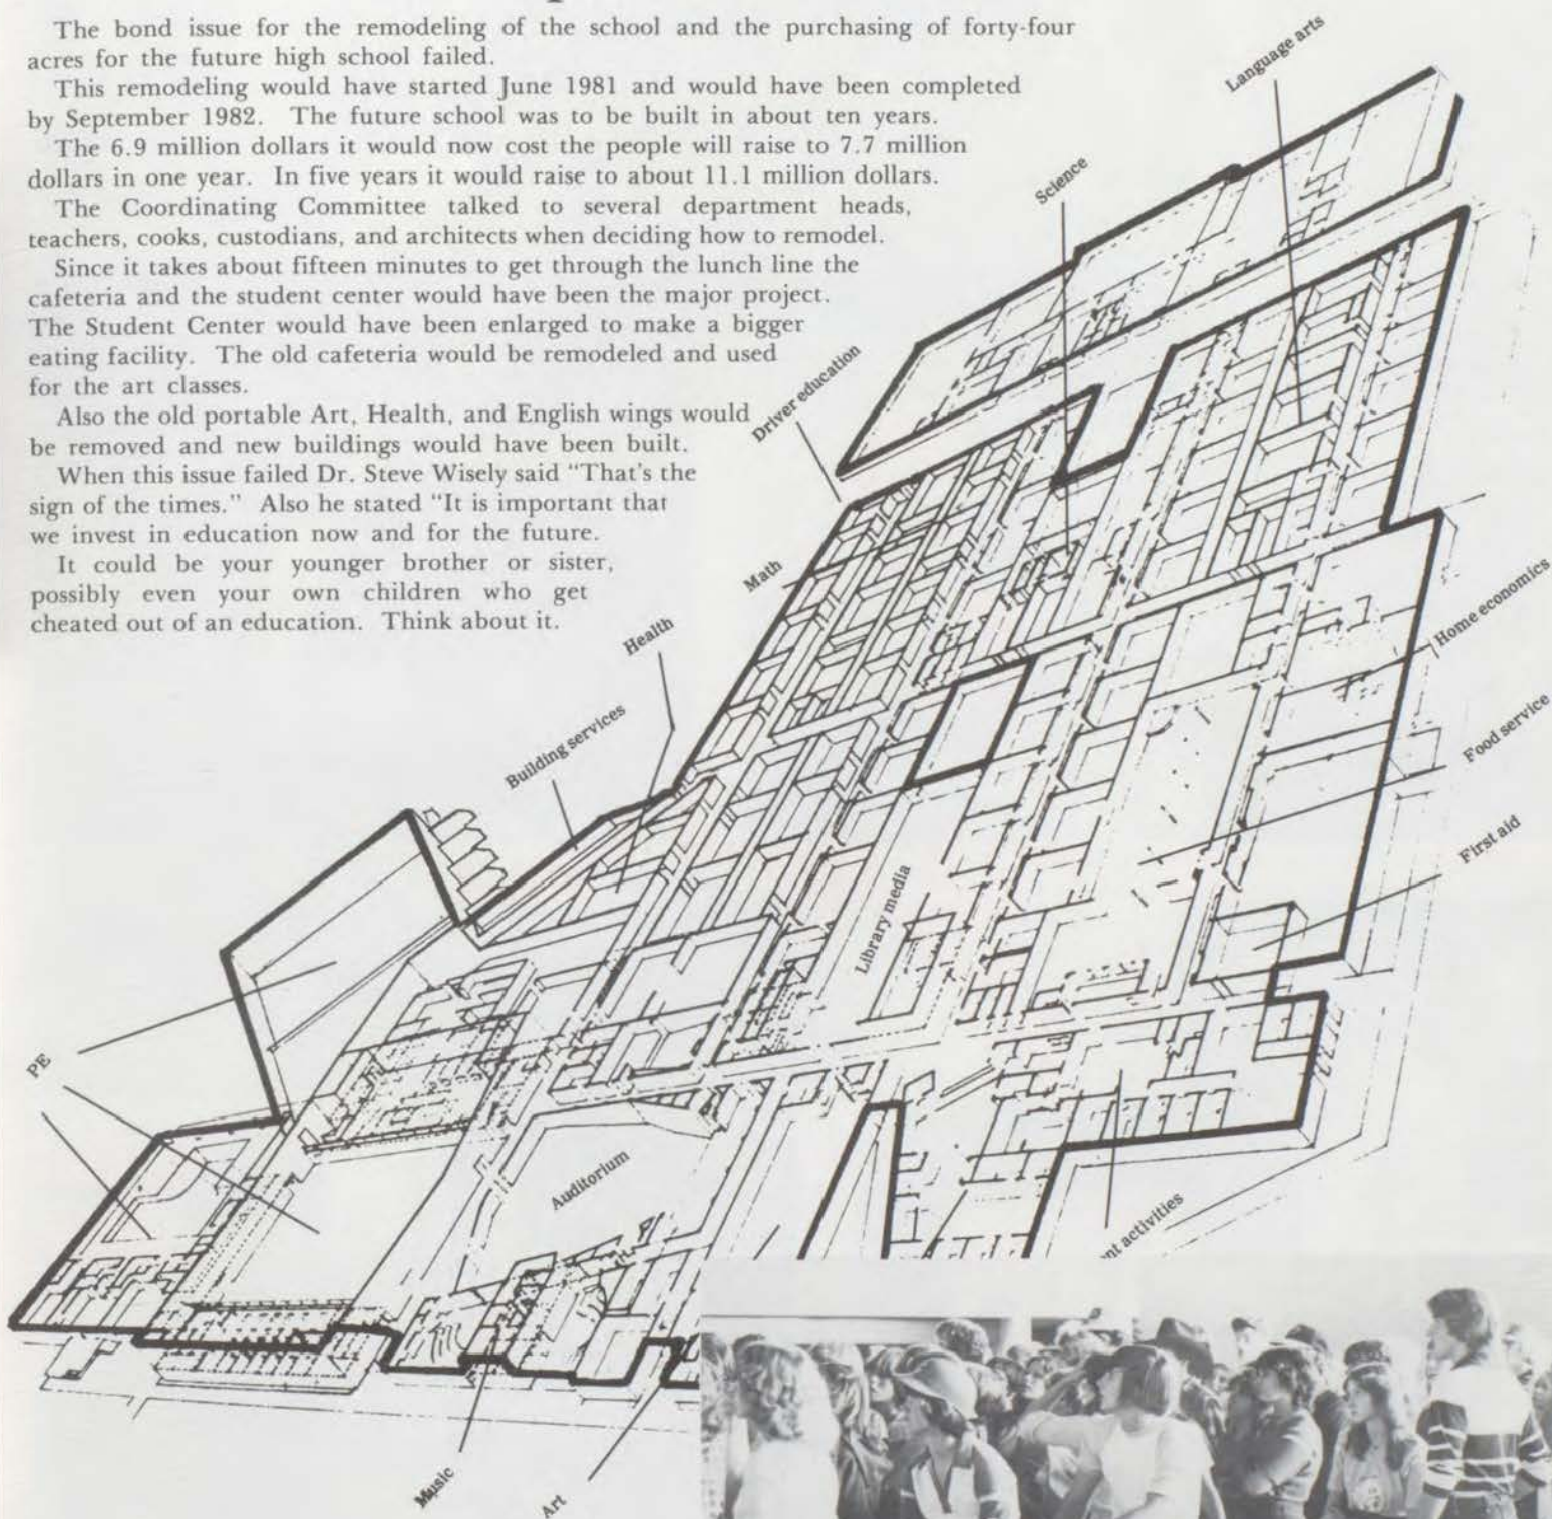

Since it takes about fifteen minutes to get through the lunch line the cafeteria and the student center would have been the major project.

The Student Center would have been enlarged to make a bigger eating facility. The old cafeteria would be remodeled and used for the art classes.

Also the old portable Art, Health, and English wings would be removed and new buildings would have been built.

When this issue failed Dr. Steve Wisely said “That’s the sign of the times.” Also he stated “It is important that we invest in education now and for the future.

It could be your younger brother or sister, possibly even your own children who get cheated out of an education. Think about it.

CAROUSEL '81

The Circus Came To Town

The Circus was in town or so it seemed at LUHS. Carousel '81 was composed of hobbies and various items representing curriculum at LUHS.

Each club was responsible for displaying some type of booth to get across the general theme of their club.

School was released at 1:30 February 12 so that students could prepare for the evenings festivities. It turned out to be a very gala event as many students were present, giving demonstrations and showing displays.

Carousel '81 was designed to take the place of the traditional "Back To School Night". The students were the major part of in Carousel '81 and shared in the success.

Greek dances, a French cafe and spelling bees were just some of the major attractions of Carousel '81.

1. The halls overflow with over 2500 people.
2. Miss Westergard and Patty McGowan smile as they show everyone what it takes to have a "winning" school.
3. Todd Downer looks carefully at the displays.
4. Kelly Coffelt as spokesman for Key Club.
5. Mrs. Hamer waves to the camera as she gets free refreshments from the cafeteria.
6. The Jazz Ensemble entertains the crowd.
7. Allison Moore and Patty Looney help out too.

Spring Play Taming of the Shrew

The famous William Shakespeares' "Taming of the Shrew" was the spring play for 1981. The play is an old, yet very modern play. It is one of Shakespears' happiest comedies. It has romance, frolic and studied dramatic developements in the main theme which though so delightfully seasoned with bouyant comedy, has a clear and disciplined career in the conflicts of two people; Rebecca Butler as Katherina, and Troy Christensen as Petruchio.

In all his works Shakespeare could never cease from being an artist. There was always self government in what he wrote. It came from his inner being, whether as a throb of tragedy, a throb of love, or whim of humor.

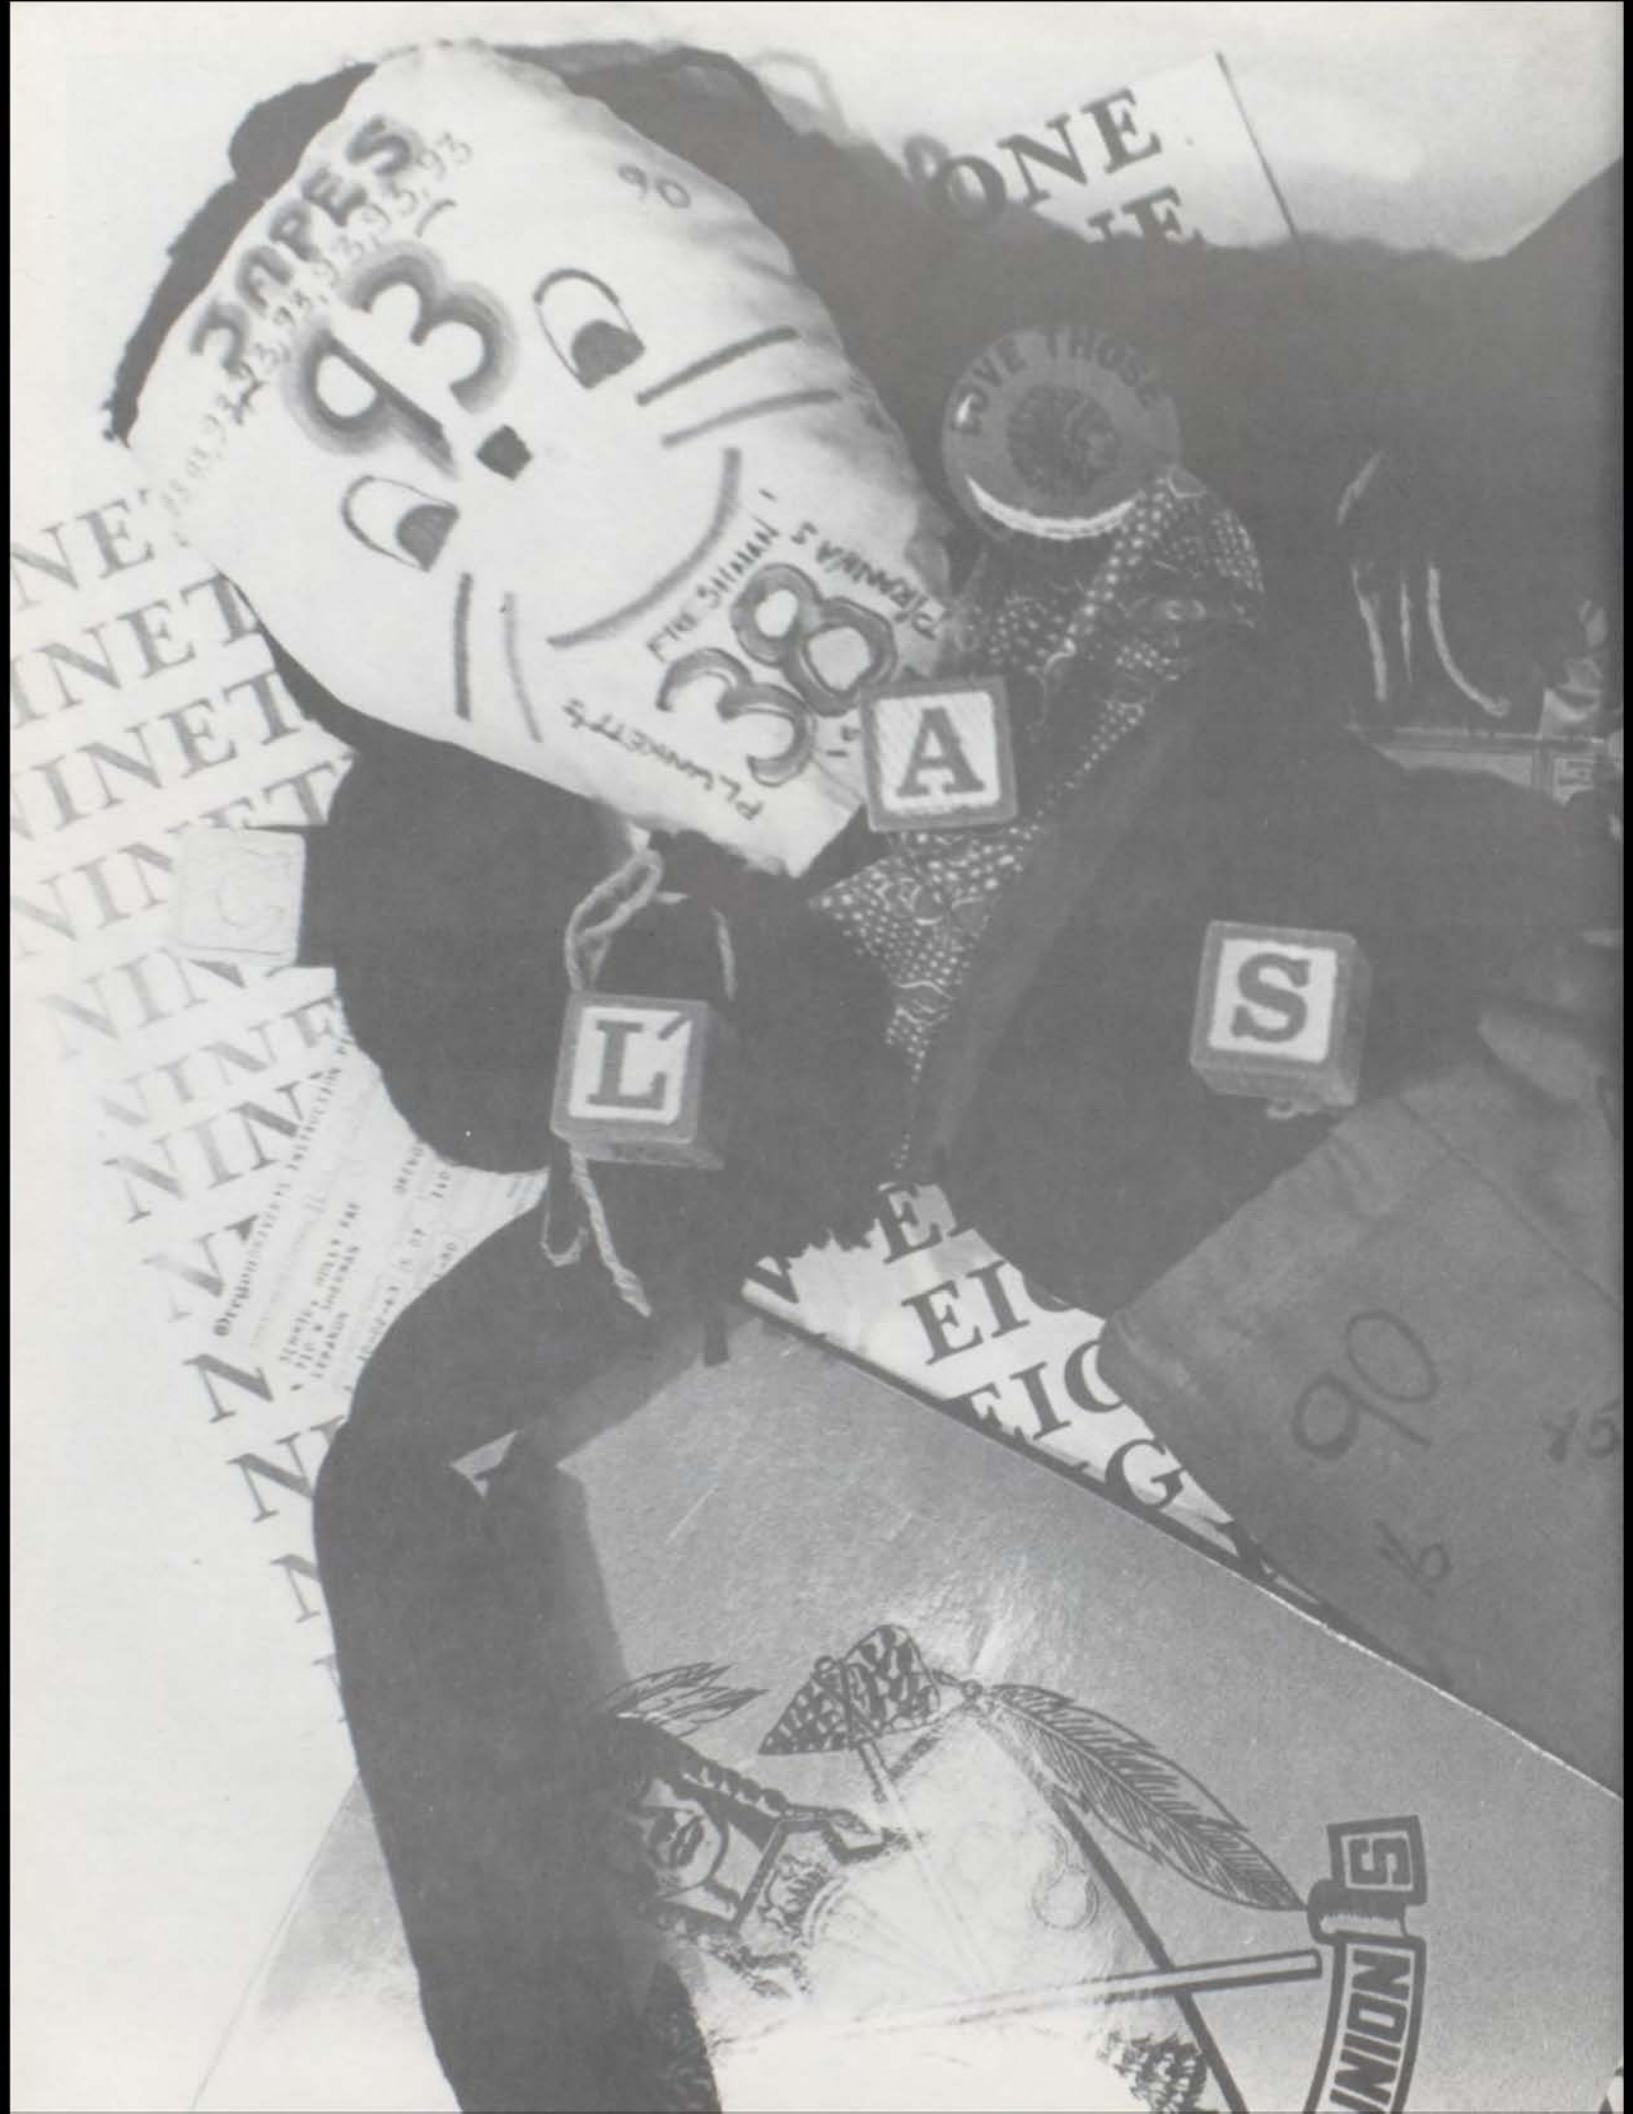

The cast (directed by Susan Hamer) all had authentic Elizabethan costumes, which the cast found very exciting to wear and act in. The cast is as follows: Ed Pond as Baptista, Jon Wittrock as Vincentio, Brad Schaffner as Lucentio, Troy Christensen as Petruchio, Gary Bonus as Gremio, Mike Johnson as Hortensio, Pat Patterson as Tranio, bob Dahl as Biondello, Steve Calahan as Grumio, Richard Adams as Curtis, John Strand as a pedent, Jim Crick as a tailor, David York as a haberdasher, Rebecca Butler as Katherina, Katherine Coleman as Bianca and Terri Udell as the widow.

This was the first Shakespeare play performed at L.U.H.S. in about fifteen years. It was hard work, but the cast found it exciting to do such a classic.

1. Gary Bonus, Rebecca Butler, and Troy Christensen take a break from rehearsal.
2. David York, Jim Dart, Steve Calahan, and Richard Adams rehearse a scene.
3. The cast works on learning their lines.
4. Troy Christensen, "Petruchio", states his plan for the taming of the shrew.
5. Troy Christensen, "Petruchio", and Rebecca Butler, "Kate", kiss after the wedding ceremony.

Girls' & Boys' State

Every year, the boys and girls from the Junior Class are selected to attend mock government sessions during the summer.

A team of five girls represented Lebanon at Willamette University last June. The girls were selected through applications and teacher recommendations. Those who made it as a semi-finalist were interviewed by a team of judges from the American Legion Auxillary. The winners were announced over the morning announcements.

A team of six boys represented Lebanon at the University of Oregon after they were selected in a similar process.

The students elected their own city, county and state officials in an effort to learn how the American system of Democracy works.

The eleven students received these offices: Robin Stalcup, Governors Cabinet; Linda Nesmith, Manager of SAIF Corporation in Salem; Maggie Gibson, Director of Employment; Carolyn Koenig, Delegate; Wink Zimmick, Speaker of the Nationalist Party; Dave Leppink, Supreme Court Justice; Phil Gilbert, Delegate; Tony Evans, City Engineer; Brian Erb, City Councilman; Jon Anderson, Delegate and Dave Bellinger, City Engineer.

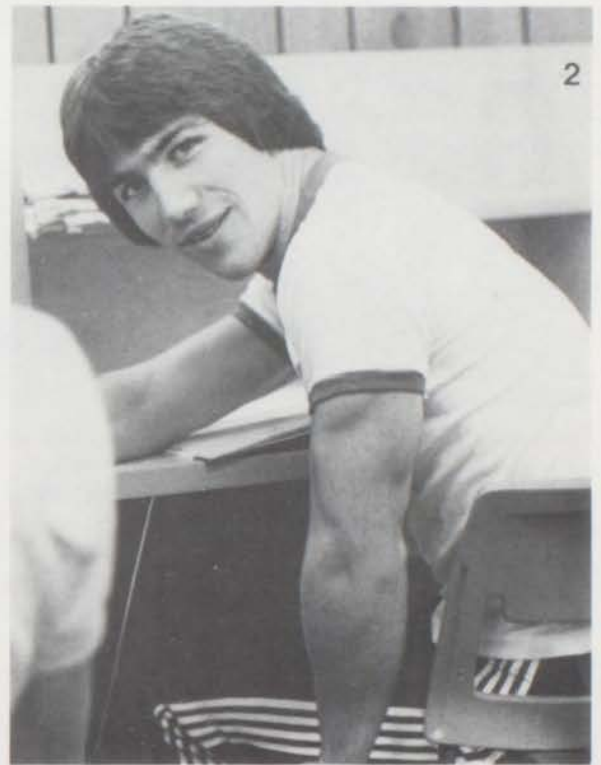

Front row: Robin Stalcup, Linda Nesmith, Maggie Gibson, Carolyn Koenig, Wink Zimmick. Back row: Dave Leppink, Phil Gilbert, Tony Evans, Brian Erb, Jon Anderson.

..... Class of 1981

The year 1980-81 got off to a busy start under Senior Class Officers: Greg Atkinson, President; Patti Palmer, Vice President; Tami Reich, Secretary; Lori Bond, Treasurer; and Representatives Bruce Grove, Ellen Renn, Eric Holland and Wink Zimmick.

The class of 1981 produced the winning float at homecoming for the second year in a row. They also won Spirit Week for three straight years and were represented for the Royalty Queen twice. Another Senior accomplishment was the sponsorship of the 1981 Winter Formal, "Christmas Roses" which 276 couples attended.

1. Treasurer Lori Bond and President Greg Atkinson "get into" Senior activities.
2. Greg Atkinson shows that authoritative president look.
3. Vice President Patti Palmer tries to convey her opinion as Lori Bond sleeps.
4. Tami Reich shows her enthusiasm in being secretary for the class of 1981.
5. Representatives Bruce Grove, Ellen Renn and Eric Holland wonder where the rest of the class is. Not pictured: Representative Wink Zimmick.

AFS Students

To all my friends at LUHS:

This year has been a very enriching one for me. I made a lot of real friends and I have learned the American way of living.

The most important thing I have learned is to love another family and another country as if they were my own.

It'll be really hard for me to forget you. I wish you all the best of luck in the future.

Costas the Greek

This year has been so great. I have learned so much about the United States and other people. I've found that people might look and talk different but we are all people and we have the same feelings.

I want to thank all my friends because they have been very nice to me, explained things for me and helped me if I needed help.

One day I will come back and visit all of you again. I will never forget you. Good luck to you.

Thanks,
Tina the Dane

This year was so great and is going so fast. Several experiences happened to me and one of the most difficult was the language. I enjoyed learning about your customs, people, visiting new places, doing different activities with my friends, participating in clubs and finding the friendship and love which I never thought I would receive.

I wish to come back again for a visit with my American family and friends. Thanks a lot for having made this a wonderful year for me.

Hugo from Chile

2. Tina Danielsen and Hugo Gonzalez smile as they listen to a speaker talk of his experiences.

3. Its H-a-t-z-i-k-a-t-s-o-u-p-i-s.

AFS Students Abroad

My year in Australia was really a beneficial year. I had the chance to experience another way of life and learn the appreciation of my own country.

I lived in Western Australia, Perth, with a family that took me on as an adopted Australian daughter.

My family raised pacers and I learned skills in this area. I also attended a Senior High School where I learned to discipline myself in study and academic skills.

The first few months of my 1980 year abroad was a time of adjustment for there were differences that arose between me and the Australian way of life. But all my problems seemed to be worked out with understanding, talking and a love that grew in my family.

The year ended up as a very good experience. By rounding up the good times and not so good times the year seemed a success. To leave was hard but to come back and share my experience makes it all worthwhile.

Jeanne Ward

To The Student Body Of LUHS:

I had the unique opportunity of representing LUHS as well as Oregon and the United States as an A.F.S. student to West Germany this past summer.

While in Germany I had a very positive and rewarding experience. Not only did I have the opportunity to get acquainted to the German culture but to various other cultures in my travels to Norway, Sweden, Denmark, France, Belgium, and East Germany. My short stay in East Germany (communist) was truly an experience I will never forget. It has helped me realize how precious our freedom really is. After being in a communist country the A.F.S. Creed gives more meaning to me as a member of the human race. "Walk together, talk together, Oh ye people of the earth. Then, and only then shall we have peace."

In closing I would like to thank the administration, faculty, and students of LUHS in their support of the A.F.S. program.

Cheryl Gatchell

Other Students Abroad

Juan Umana

It was a new way of life for Juan Umana in the United States. Changing from one culture to another.

Juan Umana is an exchange student from Costa Rica. He was sponsored by the International Student Exchange C. I. from Mexico.

In Costa Rica Juan's school is in summer vacation. When Juan returns home he will still have a full senior year left.

"The people are good and fun", commented Juan. "It's a little colder here than in Costa Rica but the country is a lot prettier."

Bruce Grove also went on a program much like the one Juan went on. Bruce Grove studied abroad in Japan. He spent two and a half months observing the Japanese culture last summer.

Bruce lived with a Japanese teacher deep in the rain forest climate. Bruce was able to go on this exchange because five years ago his family sponsored a student under this same program.

Varsity Football

For the second year in a row the Warriors finished with a 6-3 record, but the difference this year, due to a three way tie, was the Warriors were eliminated from the state playoffs. What did the Warriors in was the balanced strength of the whole Valley League, in which six teams finished with winning records.

The Warriors won only two of their first five games, before rallying to win their last four straight games. They also ended the year with a total of 164 points compared to only 108 by their opponents.

Many Warrior players earned awards, but the most prestigious of all went to Dwayne Jackola, named to the High School All-American Team.

At the post-season awards banquet, awards went to Scott Dufault, Outstanding Offensive Back; Dwayne Jackola, Outstanding Offensive Lineman; Sean Bradley, Outstanding Defensive Lineman; Scott Pruett, Outstanding Defensive Back; Jeff Elliot, Most Improved; and Ron Denny, Most Inspirational.

J. V. Football

Lebanon J.V.'s finished an excellent season with a record of 8-1. Losing by a 14-12 mark in overtime, Lebanon's only loss came to a tough North Salem team. This year's J.V. should make a big contribution to next year's varsity. Coach Bill Allen cited Cliff Walker, Mark Halstengard and Bo Yates for an outstanding year. Yates, only a freshman, averaged 8 yards a carry and 120 yards per game. Dwayne Schwindt played well at linebacker leading the team in tackles.

The frosh football team matched the Varsity season record finishing with a 6-3 mark. Lebanon lost the season opener to a tough South Salem team and later in the season lost to a pair of strong teams from Corvallis and McNary. In total offense the team averaged just above 275 yards per game. This year's freshman team should be a strong nucleus for J.V. and Varsity teams next year.

Boy's Cross Country

Improvement was the key for the boys cross country team all season long. And a long season it was, starting last summer with running three days a week and ending last fall with a sixth place finish at district.

The toughest meet of the year was their own Lebanon Invitational, in which the warriors ran on the warpath against four state qualifying teams from South Eugene, Redmond, Tigard and Corvallis.

The Warriors best meet for the year was the Silverton Invitational, where they placed second out of six teams.

The Warriors, who had only four Seniors, definitely have youth on their side. Two runners that will help in years to come are Sophomore Larry Carter, voted most improved and freshman Gary Lorenzen, voted outstanding distance runner.

They beat out South Albany in the second round of playoffs giving them their berth to State where they lost in the first round to Sweet Home.

Teams they had troubles with were Corvallis, South Salem, North Salem and Sprague. They beat every team at least once except for defending State Champs Corvallis.

Lisa Bradley, leading the team in serves, was voted Most Improved and Most Valuable player along with teammate Shelly Coleman receiving Most Inspirational.

The team started the year early in August by attending a camp at the University of Oregon. They also attended two tournaments during the season. Frosh Volleyball

The season was a very successful one for the young Warriors. They ended their season 13-5 but two of their loses, against Thurston and Silverton, were non-league so the league record was 13-3 which put them in 2nd place in their league.

Starting from a weak background, Rees felt that her team really improved as a group. The freshman program is designed to give the girls a chance to learn the game without all the pressure of a J.V. or Varsity team which include players who already know the game. The team didn't give any awards out feeling that it was just a learning program. Strong players of the team were Twila Poppa, Vickie Weisbrodt, Jodi Rous, Leslie VanOver, Joy Kendall, and Karen Leppink.

There will be a lot of height coming up from the frosh team to the J.V. including players Jodi Rous, Leslie VanOver and Joy Kendall. "Vickie Weisbrodt and Twila Poppa should really blossom as good setters as they continue to play the game," commented Coach Peg Rees.

Despite the youth of the program and the inexperience in competition the girls water polo team's season turned out pretty good. The season record was 3 - 6, not bad for such a young team. The team consists primarily of Juniors and Sophomores.

Girls returning from last year's team were Val Meador, Linda Newman, Diane Rasmussen, Dylenn Robertson, and Lori Walter. They all worked hard and put out a lot of strength. Val Meador was voted Most Valuable Player and will be a big contender in the coming year as a Senior. Freshmen Donna Meador and Heather Simpson did very well and should be a big help to next year's team, also.

The teams that put the Warriors on the warpath for tough competition were North Eugene, David Douglas, Tigard, and Gresham. These teams have been competing for more years and are in a tougher league than the Valley League. The Warrior girls are the only competitive team in this league.

“Pin-Pals”

Few people are aware of the “Pin-Pals” let alone know what they do. “Pin-Pals” are not little pins that are pals. “Pin-Pals” represented a group of girls who work at Wrestling Meets. These girls keep stats and scores for these matches. Wrestlers become the stars of the meets, but to keep these matches running the girls are right there all the time. If you go behind the scenes you will know who these girls are. So for all the meet results look for the “Pin-Pals”.

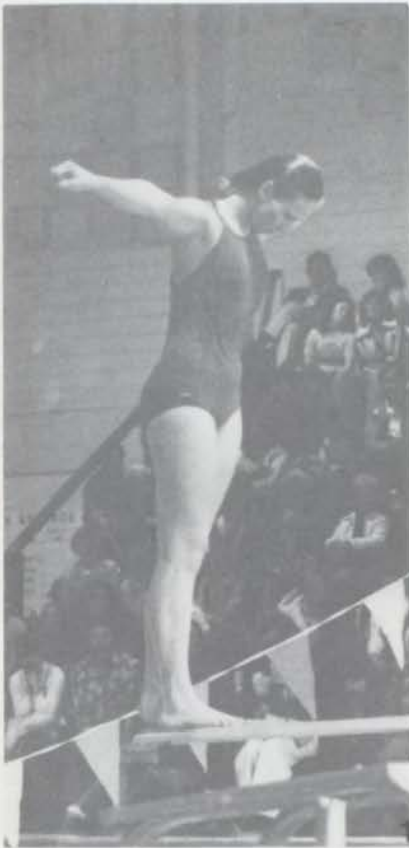

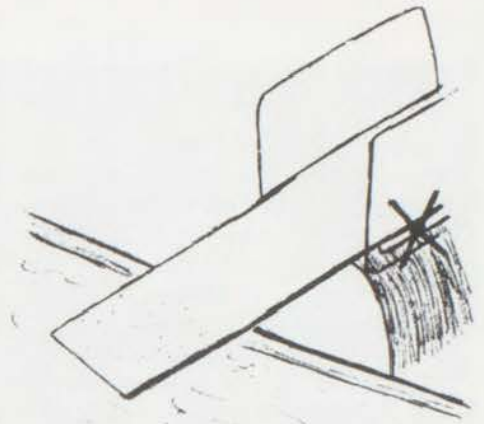

Boys & Girls Diving

Placing in the top three of every meet the Lebanon divers did well, even though they had limited competition.

One of the top performances for the divers came from the South Salem meet. Where without the divers the swimmers might not have won the meet. The divers really helped the swimmers out at District meet. Placing for the boys were, Joe McGuire taking 3rd, and Brock Bursey taking 13th. For the girls Emily Danielson placing 7th, followed by Lynda Fairclough taking 10th and Janet Hendricks taking 13th.

Going on to state meet for Lebanon was Joe McGuire, who placed 9th on the state level.

Joe McGuire is the only diver Lebanon loses to graduation. All the other divers will return next year to help out the swimmers.

Outstanding performances for the girls came from the 400 yd. relay team consisting of Dylonn Robertson, Val Meador, Linda Newman, and Heather Simpson who placed fifth. Other state placers were Heather Simpson placing 3rd in the 100 yd. breaststroke and 9th in the 200 yd. J. V. and Freshman Wrestling

Lebanon's second varsity wrestling team went 10-0 in league and 19-5 on the season, which makes the future look bright for the wrestling program.

Outstanding wrestlers for the second varsity were Jerry Porter, Brian Easton, Steve Johnson, David Rowe, J. J. Johnson, and Cory Buchanon, who qualified for the state meet.

The 1980-81 freshman wrestling team started off slowly, but by years end had progressed into a fine team.

Girls Varsity Basketball

The Lebanon Warrior's Girls Varsity Basketball team started their season with a big win over South Albany. As the season continued the flu hit the team twice and hurt the teams overall effectiveness.

Coach Mundy feels that if he has everyone back next year, except for the three seniors, his team will be one of the top four contenders along with McNary, Corvallis and West Albany.

The three seniors the Lebanon team is losing are Julie Hinricks, Shelly Coleman and Wink Zimick. The other teams that will be hurt enormously with graduation are Crescent Valley with four and their coach, North Salem with four, McNary with four and Corvallis with three. But Coach Mundy feels there is a tough group of girls in the Junior and Sophomore class that will benefit the team in coming years.

Lettermens Club

Receives Letters Instead of Feathers

Instead of receiving feathers this athletic group of men and women received letters. The club is made up of a group of "jocks" and "jockettes" who have lettered in one or more sports. Thus this club was named Lettermens Club.

The main purpose of this club was to promote school spirit and athletic participation among students. In order to keep busy during the off season the members distributed athletic calendars, sold souvenirs to athletic supporters and sold Warrior emblems.

President, Rick Sweet with the help of vice-president, Molly Bellinger and secretary, Patti Palmer; led the group to a very prosperous year.

Other activities included a firework sale and a new student picnic.

People with People

A club designed to develop awareness of person's specialness and to further growth in relationships between those who are different is the very real need which People with People Club fills.

To meet this goal, President Jackie Bertalot, Vice President Troy Christenson, Secretary Melissa Bertalot and Treasurer Angie Dishow, planned to tour various facilities for the handicap. To bring about the goal in the entire student body, the club held bake sales, shopping trips and a camp-out for the handicapped students of the school.

Through this club, a growth of sharing and promoting appropriate social interaction with and for handicapped students has grown. This club does a great service to the school.

During the year members went to various skill contests. The major contest they attended were the LBCC Regional Skills Contest and the VICA Skills Olympic Contest.

Head of the Drafting Board was Todd Tjepkema. Other board members included vice-president, Ron Spires; secretary, Phyllis Moore; treasurer, Steve Hildebrand and historian, Rick Sweet.

Community service, campouts, dances and yardwork were common pastimes the members enjoyed. Members also participated in various VICA projects.

Metals Club used welding, forging and fabrication to service odd jobs and were also included as fund raising projects. Electronic casings and fireplace sets were also made.

Machine Shop

The Machine Shop Chapter of VICA was organized much the same as the original VICA. One-hundred percent participation was the goal for this year's club.

Since the club is a vocational one, activities centered around job stimulated efforts. Building various items took up much of the club's free time.

The Regional Skills Contest for the club was held at LBCC in the Spring. Machine Shop members participated in a written examination about machine tools, instruction on operating machines and skill examinations. Individual and team awards were given to skilled members.

Workshops were held throughout the year with members working on individual projects and personal jobs to expand the interest of auto mechanics. All phases of auto mechanics were covered during the club's "over haul."

Club members participated in group projects and made many different items throughout the year.

These projects benefited the school and gave students ample time to construct furniture, for their teepees and rustic motifs, including scroll wood carvings and individual projects.

CENTRAL OFFICES TO THE STUDENTS

October 6, 1980

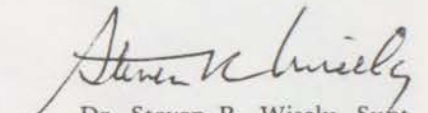

Dr. Steven Wisely

School has been in session for a month now and although it's difficult to predict at any time, let alone from only 30 days experience, it appears that the 1980-81 school year is going to be a good one. Administrative staff changes in the form of Gary Fuller, Chuck Kilborn and Don Carroll coupled up with a few new teachers and support personnel provide some new ideas with those already established to strengthen the High School program.

After a year of declining student enrollment it appears that we're once again witnessing some families moving into the area with high school age young men and young women. This reaffirms the district's need to bring up to standard a school built 23 years ago for 500 less students and one constructed in an era of fewer building codes and State and Federal regulations. A bond issue planned to be voted upon by the community in February 1981 will provide an up-to-date high school facility to meet everyone's needs and demands.

As I listen to the teaching and administrative staff describe the students of 80-81 they seem to point out one characteristic in particular: CORDIAL. Many times I've heard how students not only speak to each other and the staff as they have in the past but they take the time to stop and talk or extend their arms out for a hand shake. Students new to the school continue to remark how NEAT L.U.H.S. is compared to where they last attended.

The year will be a busy one and will come to an end soon enough. Let's enjoy our school days while we can; work hard but have some fun.

Administration

This past year we at LUHS have all made lasting memories. To each one of you, I want to say thank you for a pleasant and exciting year. Hopefully each of us have been involved mentally, socially, physically, and emotionally. As we mature academically, the process of learning becomes automatic. As we become totally involved with student activities, responsibility and enthusiasm are learned. As we participate in competition, we learn to adjust to defeat as well as to accept success. As we experience emotional involvement, we learn to handle stressful situation as well as kindle great friendships.

To our graduation class of "81", the time has now arrived for you to utilize all these experiences, whether great or small, in your new life to come. May you continue to accept responsibility and display leadership as you have done at LUHS. I hope that we, as a school family, have influenced your life in a positive manner as you have done ours. Remember to set your goals high and strive to make wise decisions. We at LUHS want you to leave our school believing in yourself and knowing that as a result of your continuous efforts you can be successful!

May God bless you all in your future endeavors,

Student Body Offices

Vice President Dori Toedemeier, President Howard Downer, Treasurer Lori Walter, and Secretary Rebecca Butler prepare for another mob meeting.

There are places I'll remember all my life, although some have changed. All these places had their moments. My Senior year at L.U.H.S. was no exception. The 1980-81 school year will always be special to me. My office of Student Body President gave me an opportunity to work with some very extraordinary people. Mr. Fuller and the administration were absolutely fantastic. 1980-81 was another in a long line of outstanding years for the faculty and staff of Lebanon High. The Senate, House of Representatives, and I.A.C. possessed some of the hardest working individuals I've ever known. Congratulations on a job well done! No Student Body President ever had it so good. Thanks to everyone for the limitless, undying support you gave me.

Congratulations to the Class of 1984! You survived your Freshman year . . . and it wasn't so bad after all, was it? Good luck next year!

Congratulations to the Class of 1983! You've sweated through Sophomore P.E. and Mr. Phelps' pop quizzes. Two years to go . . . so enjoy them!

Congratulations to the Class of 1982! You've made it! You're Seniors now!

Special congratulations to the Class of 1981. Four years of hard (?) work have finally paid off. Best wishes for your future endeavors.

I know I'll never lose affection for the people who made 1980-81 possible. I know I'll often stop and think about you . . . in my life.

Sincerely,

Howard Downer
'80-'81 A.S.B.P.

Act of One Owns' Will

Committee organization led to improvements for the school because of the student's contribution to school government.

An increase in broken plates and non-returned plates, which were costing the school money, was reported to Senate. Patti Palmer volunteered for the cafeteria committee to find out what students could do to help prevent this cost. Senate was asked to participate and encourage the student body to return Student Center Plates to the cafeteria.

A committee was organized to open the South Wing Bathrooms. The bathrooms were closed because of vandalism. A proposal to pay for the vandalism by the students' fund was presented to Mr. Fuller. In December, the bathrooms were open.

George Harden from the House of Representatives, took a stand in leadership to provide the school once again with music in the halls during lunch. A petition, proving the students wanted music in the halls, was handed to the administration having over 1000 signatures. Plans were continued and students brought tapes of their choice to play.

1. Making herself comfortable, Patti Palmer gets ready for a long senate meeting while Tami Reich does the same behind her.

2. Heather Simpson takes notes on the progress of the senate meeting.

3. Concerned with the thoughts of the representatives; Dori Toedemeier, Tori Staub and Scott DuFault listen attentively.

4. ASB Treasurer, Lori Walter, recites the amounts of class and general funds at the beginning of the senate meeting.

5. A result of a long House of Representatives meeting, Loren Kruesi takes a nap while Mike Zervas and Eric Yanke pay attention to the meeting.

To the students of Lebanon Union High School;

The schools' theme, "Lets Get Involved", helped the Annual Staff cover the years' activities. Students became involved in extra curricular activities. Even students who lived out of town were involved by being Teacher Aides.

I remember the people who made the moments to be remembered . . . the Annual Staff for working on pages and enjoying the recognition of knowing a page got done, Mr. Fuller for having an office that let you feel relaxed when you entered in (I never knew a Principals' office was like that), teachers who gave their free time to advise clubs and student organizations, cooks who made Pizza, Salads and Submarine Sandwiches, groundspeople and custodians who cleaned up the Student Center and parking lot when clubs forgot, the secretaries for their organization, friendly smiles and useage of the IBM erase tape.

It was alot of fun to learn about the people of LUHS and the different abilities and interests that were displayed. Thank you for getting involved and letting us, the Annual Staff, capture your moments.

Good Luck,

Kristi Adams

Kristi Adams
Annual Co-Editor

As co-editor of the 1981 Warrior, I was happy to have the opportunity to contribute to a book which can be read and enjoyed by all and preserve the memories of the school year for many years to come.

Although the pace was hectic and deadlines came too fast, the whole staff proved they could get their pages done, some of them on time even!

I enjoyed working with co-editor Kristi Adams and would like to thank our advisor Ms. Hensler for her help and support, Mr. Erickson, the administration, and the entire '81 Warrior staff.

I hope you all enjoy the book as much as I enjoyed being a part of every annual for the past four years.

Sincerely,

Brian Erb
