EXTENSION OF CITY OF LEBANON'S LOCAL DECLARATION OF EMERGENCY

The COVID-19 virus continues to threaten public health and safety. To be consistent with Governor Brown's extension of the State of Emergency, the City of Lebanon's Local Declaration of Emergency is being extended until July 6, 2020 at 8:00 p.m. unless superseded sooner.

The extension of the Local Declaration of Emergency allows the City the flexibility to respond to the pandemic, however, the continued Local Declaration of Emergency does not impact the City's ability to proceed through the Reopening phases as established by the Governor's Office and Oregon Health Authority.

A copy of the Declaration can be found on the city's website at <https://www.ci.lebanon.or.us/covid19/page/extension-declaration-local-emergency-july-6>
